ORS 197.352 (BALLOT MEASURE 37) CLAIM FOR COMPENSATION

OREGON DEPARTMENT OF LAND CONSERVATION AND DEVELOPMENT
Final Staff Report and Recommendation

November 22, 2006

STATE CLAIM NUMBER:	M129442
NAMES OF CLAIMANTS:	John S. and Meredith G. Wilson
MAILING ADDRESS:	PO Box 209 North Powder, Oregon 97867
PROPERTY IDENTIFICATION:	Township 7S, Range 38, Section 6 Tax lot 100 Baker County
DATE RECEIVED BY DAS:	June 2, 2006
180-DAY DEADLINE:	November 29, 2006

I. SUMMARY OF CLAIM

The claimants, John and Meredith Wilson, seek compensation in the amount of $4,361,550 for the reduction in fair market value as a result of land use regulations that are alleged to restrict the use of certain private real property. The claimants desire compensation or the right to divide the 319.52-acre subject property into 45 parcels and develop a dwelling on each parcel. The subject property is located at 51230 Anthony Lakes Highway, near North Powder, in Baker County. (See claim.)

II. SUMMARY OF STAFF RECOMMENDATION

Based on the findings and conclusions set forth below, the Department of Land Conservation and Development (the department) has determined that this claim is not valid because the claimants have not established their ownership of the subject property. (See the complete recommendation in Section VI of this report.)

III. COMMENTS ON THE CLAIM

Comments Received

On September 25, 2006, pursuant to Oregon Administrative Rule (OAR) 125-145-0080, the Oregon Department of Administrative Services (DAS) provided written notice to the owners of surrounding properties. According to DAS, one written comment was received in response to the 10-day notice.

The comment does not address whether the claim meets the criteria for relief under ORS 197.352. Comments concerning the effects a use of the subject property may have on surrounding areas are generally not something that the department is able to consider in determining whether to waive a state law. If funds do become available to pay compensation, then such effects may become relevant in determining which claims to pay compensation for instead of waive a state law. (See the comment letter in the department's claim file.)

IV. TIMELINESS OF CLAIM

Requirement

ORS 197.352(5), requires that a written demand for compensation be made:

1. For claims arising from land use regulations enacted prior to the effective date of Measure 37 (December 2, 2004), within two years of that effective date, or the date the public entity applies the land use regulation as an approval criteria to an application submitted by the owner, whichever is later; or

2. For claims arising from land use regulations enacted after the effective date of Measure 37 (December 2, 2004), within two years of the enactment of the land use regulation, or the date the owner of the property submits a land use application in which the land use regulation is an approval criterion, whichever is later.

Findings of Fact

This claim was submitted to DAS on June 2, 2006, for processing under OAR 125, division 145. The claim identifies "all prior land use regulations" as the basis for the claim. Only laws that were enacted or adopted prior to December 2, 2004, are the basis for this claim.

Conclusions

The claim has been submitted within two years of the effective date of Measure 37 (December 2, 2004), based on land use regulations enacted or adopted prior to December 2, 2004, and is therefore timely filed.

V. ANALYSIS OF CLAIM

1. Ownership

ORS 197.352 provides for payment of compensation or relief from specific laws for "owners" as that term is defined in ORS 197.352. ORS 197.352(11)(C) defines "owner" as "the present owner of the property, or any interest therein."

Findings of Fact

The claimants, John and Meredith Wilson, originally acquired the subject property on May 8, 1964, as reflected by a warranty deed included with the claim. However, on December 31, 1997,

the claimants transferred the subject property to Wilson Family Ranches, LLC as reflected by a warranty deed provided with the claim.[1]

The Baker County Assessor's Office confirms that Wilson Family Ranches, LLC is the current owner of the subject property. The claimants, John and Meredith Wilson, no longer own the subject property.

Conclusions

The claimants, John and Meredith Wilson, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C).[2]

2. The Laws That are the Basis for This Claim

In order to establish a valid claim, ORS 197.352(1) requires, in part, that a law must restrict the claimants' use of private real property in a manner that reduces the fair market value of the property relative to how the property could have been used at the time the claimants or a family member acquired the property.

As explained in Section V.(1), the claimants, John and Meredith Wilson, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws enforced by the Land Conservation and Development Commission (the Commission) or the department restrict the claimants' use of private real property in a manner that reduces the fair market value of the property.

3. Effect of Regulations on Fair Market Value

In order to establish a valid claim, ORS 197.352(1) requires that the land use regulation(s) (described in Section V.(2) of this report) must have "the effect of reducing the fair market value of the property, or any interest therein."

As explained in Section V.(1) of this report, the claimants, John and Meredith Wilson, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, no laws restrict their use of the subject property with the effect of reducing the fair market value of the property.

4. Exemptions Under ORS 197.352(3)

ORS 197.352 does not apply to certain land use regulations. In addition, under ORS 197.352(3), certain types of laws are exempt from ORS 197.352.

---

[1] Wilson Family Ranches, LLC is a limited liability corporation registered with the Oregon Secretary of State.
[2] Under the language of ORS 197.352(11)(A), corporations cannot have "family members." Therefore, John and Meredith Wilson, who transferred the property to Wilson Family Ranches, LLC, are not "family members" under ORS 197.352(11)(A).

As explained in Section V.(1) of this report, the claimants, John and Meredith Wilson, are not "owners" of the subject property as that term is defined in ORS 197.352(11)(C). Therefore, the issue of whether any laws are exempt from ORS 197.352 is not relevant.

VI. FORM OF RELIEF

ORS 197.352(1) provides for payment of compensation to an owner of private real property if the Commission or the department has enforced one or more laws that restrict the use of the property in a manner that reduces its fair market value. In lieu of compensation, the department may choose to not apply the law in order to allow the present owner to carry out a use of the property permitted at the time the present owner acquired the property. The Commission, by rule, has directed that if the department determines a claim is valid, the Director of the department must provide only non-monetary relief unless and until funds are appropriated by the legislature to pay claims.

Findings of Fact

Based on the record, the department finds that the claim is not valid because the claimants are not owners of the subject property.

Conclusions

Based on the record before the department, the claimants, John and Meredith Wilson, have not established that they are entitled to relief under ORS 197.352(1) as a result of land use regulations enforced by the Commission or the department because the claimants are not owners of the subject property. Therefore, the department recommends that this claim be denied.

VII. COMMENTS ON THE DRAFT STAFF REPORT

The department issued its draft staff report on this claim on November 1, 2006. OAR 125-145-0100(3), provided an opportunity for the claimant or the claimant's authorized agent and any third parties who submitted comments under OAR 125-145-0080 to submit written comments, evidence and information in response to the draft staff report and recommendation. No comments were received.
