I am an OMMA patient, 70 years of age and take no other medication than medical marijuana! I find it to be effective for me & feel safer than taking pharmaceuticals. It is low potency for abuse or physical dependency.

Bette McCurdy

PLEASE LEGALIZE!

REGULATE AND TAX MARIJUANA AS A CLASS 5 OR 6 DRUG AS IT SHOULD HAVE BEEN 40 YEARS AGO.

THANK YOU!

Please schedual cannabis to a schedual 5. I get great benifits and feel it is non adicting.

Gill E Brown

please legalize Medical Canabis without it I'll live with alot of pain.

Please reschedule cannabis to sc. 5

Please re-schedule Cannabis to a schedule 5. As an OMMP Caregiver I have seen the benefits of cannabis for my husbands pain & inflamation. Thank you Tamara Kime

Please re-schedule cannabis to #5. As an Ommp pt./registrant. Cannabis saves my Life!! I have Extensive Crohns Desease. When I got of the Stearoids, etc... & went to THC, I Now Live pas.t 35 (by 10+ yrs) DR.S PREDICTED DEATH @ 35?
Mrs. Cindy L. Meyer

To all it may Concern,
Please reschedual cannabis to Schedual 5.
As an OMMP registrant, I find Cannabis to be a safe, effective drug for an extremly wide range of symtoms & treatment of many serious conditions AND HAS NO Potential for toxicity, with NO Recorded Fatalities.
