Activities:

1. In July 2011 CAPTA review panel meet. Holly Dominick called Chris Phillips on a conference call. Chris shared some information regarding issue discussed at the previous meeting (6/16/11). She explained that while our case reviews were lengthy and at times repetitious, condensing them was not a fair option to the panel. She suggested that our panel should be presented with all the case information in order to make an appropriate and informed review of a case. After discussion the panel agreed upon that those in attendance asked for more time to read the cases. Two weeks in advance was suggested. Chris stated that we could get the case on the Wednesday a week before the meeting. So at our next meeting, August 18, 2011, we will be reviewing the case that Chris has already worked at redacting. We can expect to receive the case review by Wednesday, August 10, 2011.
2. The August 18th meeting was canceled.
3. In September 2011 meeting there was no case review this meeting as the focus was on spending funds available until this grant year ended the end of September, 11. There was discussion about a community training opportunity with Corey Jewell Jensen. The purpose of case reviews was discussed. DHS responded that the purpose was to examine the system and make recommendations for system improvements and changes. CAPTA panels were funded in only 2 counties of Oregon, Malheur, Jackson and Multnomah. The question was asked, after a review where does the information go and do we get feedback from that information. Other questions posed were regarding annual reports and financial reports. Meet again in September to allocated remaining funds to the Corey Jewel Jenson seminar and additional expenses.
4. In October 2011, CAPTA Meeting updated group on Cory Jewell Jensen coming to speak to the community in April 2012. Although CAPTA will not receive further funding from the state, the need for a review process remains. Proposal was made to form a Child Welfare Review Committee (CWAC) to begin meeting in January, 2012. Current members of CAPTA will be encouraged to attend, and additional members will need to be recruited, especially child advocates.
