Notice of Public Meeting: Children's Residential Care

The Third and last meeting of the HB2233 Advisory Committee will take place on Monday, November 2th from 1pm–4pm in conference room 410 of the Office of Adult Abuse Prevention and Investigations, 201 High Street SE, Suite 500, Salem.

The advisory committee has been assigned to review current policies and make recommendations to the legislature about facilities that provide residential care for children, youth or youth offenders. The committee will meet three times and provide a report to the legislature by December 15, 2015.

Specifically the group will examine:

- The need to adopt new or amend existing administrative rules;
- The status of existing processes to investigate residential care and the need to improve or streamline processes;
- The current processes for making findings of abuse or neglect in residential care;
- Strategies for ensuring the safety of children, youth or youth offenders in residential care;
