DHS Town Hall Meetings

Make plans to attend a DHS Town Hall Meeting in June!

You are invited to provide input and feedback to the Oregon Department of Human Services (DHS) on our programs, services and priorities for our 2017 budget and legislative session. We've been doing these meetings for several years, and they are a great way to hear directly from the people and communities DHS serves.

The **Town Hall** will cover programs and services in the following areas:

- Child Welfare
- Aging and People with Disabilities
- Intellectual/Developmental Disability Services
- Self Sufficiency Programs
- Vocational Rehabilitation
- DHS Director's Office and other Central Services

Your participation is extremely valuable to us as we make plans to move forward, so make plans to attend a meeting in your local area!
