Topic: **APD Adult Foster Home Providers: Website Updates**

Provider: APD (Older Adults and Adults with Physical Disabilities)
 DD (Developmental Disabilities)

The Department has been redesigning, and continues to redesign, its websites to make them easier for visitors to use. As a result, now when you go to the APD Adult Foster Home Provider Tools web page using the old website address, you will see the following message:

The APD Adult Foster Homes provider site has moved to:

www.oregon.gov/dhs/providers-partners/licensing/APD-AFH/Pages/index.aspx

This redirect is temporary, please update your bookmarks.

Please take a look at our redesigned website and bookmark the new address for your later reference. The new home page is called **APD Adult Foster Home Provider Information**. You can still find the resources you are accustomed to, including:

- Latest News
- Links to various resources (forms, provider alerts, training, etc.) in the column on the far left
- Tools and resources (under the heading “APD Adult Foster Home Providers”)
- Information for New Providers (for individuals interested in becoming an AFH provider)
- Additional resources (Provider Complaint Resolution Coordinator, mandatory reporting, Guide to Adult Foster Homes)
