Administrator Alert

Date: January 29st, 2016

To: Assisted Living, Residential
Care, Memory Care Communities

From: Office of Licensing and Regulatory Oversight

Subject: Reminder to Complete PSU Questionnaire – Data Needed from All Communities

Summary: DHS asked PSU's Institute on Aging to collect information about AL/RC/MC residents and communities and to prepare a report that informs providers, consumers, and state agency staff about resident acuity, staffing patterns, services, and community policies.

PSU mailed the questionnaire to all providers on January 6, 2016. So far, about 100 communities have returned a questionnaire. To produce a high quality report, PSU needs a very strong response rate from providers. We are asking all communities to respond.

The deadline for completing the questions has been extended to February 12, 2016.

Someone from the PSU team will call your community to make sure that the questionnaire was received. If you have questions, please contact Jackie Kohon at 503.725.5236 or cbcor@pdx.edu.

The Oregon Health Care Association, Leading Age, and DHS provided input on the questionnaire and support this project. The report based on the questionnaire distributed to communities last year is available at <https://www.pdx.edu/ioa/oregon-community-based-care-project>
