## Information Memorandum

Nursing Facility Providers

IM-16-02-NF

Date: January 11, 2016

From: Nursing Facility Licensing Unit

Subject: Oregon Patient Safety Commission, Infection Control Training  
February 23-25, 2016

### *Summary:*

The training is a three-day comprehensive training course focused on fundamentals of infection prevention and specifically designed for individuals who are responsible for their facility's infection control program. The course will equip infection prevention professionals from any healthcare setting to develop an effective infection control program that both protects patients and complies with the Centers for Medicare & Medicaid Services' Conditions for Coverage and Conditions of Participation. *The training is free for individuals currently employed as designated infection prevention professionals.*
