Date: January 20, 2016
From: Oregon State Board of Nursing
Subject: Nursing Education Advisory Group Survey

Director of Nursing

The Nursing Education Advisory Group (chartered by the Oregon State Board of Nursing) is gathering data on clinical placements for nursing students. Please see the attached letter requesting assistance with more information.

One method of collecting the needed information is through a **Survey Monkey® Questionnaire**. Your input is essential to understanding the current issues around clinical placements. Here is the link to the Questionnaire. Depending on how various questions are answered, it would take between 10 and 20 minutes to complete the survey.

Deadline for completion has been extended to January 31, 2016

A second posting will be sent with an attached spreadsheet for the unit profiles and specific capacity. Thank you for your assistance in completing the Survey Monkey® Questionnaire.

Any questions can be directed to Joy Ingwerson at the Oregon State Board of Nursing.

November 13, 2015 (Revised January 14, 2016)

Dear Director of Nursing:

The Oregon State Board of Nursing has charged the Nursing Education Advisory Group to explore the adequacy of clinical placements to support nursing education in Oregon. As part of this work, the Group is gathering essential data on the current status of clinical placements for undergraduate nursing students. There are two components to this essential work:

- Survey Monkey® Questionnaire
- Unit Profile Listing (Excel spreadsheet)

The link to the questionnaire is provided in one e-mail and **a separate e-mail** will be sent with the spreadsheet for Unit Profiles attached.

You are being asked to complete or assign the completion of the **Survey Monkey®** Questionnaire to an appropriate individual. Responses are needed from individual facilities rather than from a regional office representing multiple separate entities. Please ensure that an appropriate **facility-level representative** is assigned to complete the Questionnaire.

**Completion of the Questionnaire is kindly requested by December 11, 2015
January 31, 2016 (Deadline extended)**

For any questions on the Survey Monkey® Questionnaire, please contact Joy Ingwerson, Nursing Policy Analyst via phone at (971)673-0637 or e-mail: joy.ingwerson@state.or.us.

Thank you for your assistance in addressing clinical learning capacity for nursing students across Oregon.

Sincerely,

Nursing Education Advisory Group Members
(Chartered by the Oregon State Board of Nursing)
