Trainings in this newsletter are provided for Homecare Workers (HCWs), Personal Support Workers (PSWs), and the consumer/employers they work for.

Pre-registration is required and assures your spot in the class. Many classes fill to capacity and will not be able to accommodate walk-ins. Don't be a "No Show." Call and cancel if you can't make a class! New certifications require workers have low "no show rates" for acceptance.

Training Completion & Stipends for Attending Classes

HCWs and PSWs may be paid a stipend for attending classes (*except for certification trainings*) if they meet these criteria:

- ◆ Have an active provider number
- ◆ Have authorized and paid state provider hours within 3 calendar months prior to the month of the training or during the month the training is held. (ICP workers must provide a pay stub or statement from their employer.)
- ◆ Have not been paid for that class in the previous 12 months.
- ◆ Class is approved for the specific work group by the Home Care Commission
 - * Home Care Workers
 - * Personal Support Workers

- ◆ If you miss more than 15 minutes of the class, the pay is pro-rated for the time attended and you will not receive a certificate. Incomplete classes are not listed on the Registry.
- ◆ These payments are not considered work hours and will not have withholding. Training hours are not used to determine benefit eligibility.

Please allow a minimum of 6 weeks to receive payment and for the classes to appear as completed in your Registry profile. If you have not received payment by then, please call us at 1.877.867.0077 Option #2.

Adult Foster Care (AFC) and Private Pay Provider DO NOT receive stipend pay for attending classes. Please refer to the list of class descriptions on pages 5-6 for 'AFC CEU' approved classes.

Professional Development Certification (PDC) Overview **Effective: January 1, 2017**

A completed Professional Development Certification will give Home Care Workers and Personal Support Workers the opportunity to earn an additional .50 above the base rate of pay, as early as **January 1, 2017**.

Workers can start, as early as **July 1, 2016**, in *working towards* the completion of the certification. Please note that if a class was already completed, from October 29, 2015 on, the worker can just simply take the assessment (***once it is available, it is not available now***) and if the score is 80% or above, credit will be given.

The certification is designed to help develop professional skills and recognize workers who exemplify responsible and professional behavior. The requirements are as follows:

- ✓ Completed required classes (see classes, page 6)
- ✓ Active CPR/First Aid certification (must stay current)
- ✓ 80% success rate on each class assessment (testing your knowledge of information taught during class)
- ✓ No more that 20% "no-show" rate for overall completion rate for classes
- ✓ Complete and submit Professional Development Certification application and a confirmation from OHCC that all required areas has been met.

Note: The class assessments and the request for the Professional Development Certification are being developed and are not available at this time.

To find out if a class is eligible for the PDC, click on the 'Details' button next to the 'Class Name' in the Registry.

Once available, the information will be posted on the OHCC website <http://www.oregon.gov/dhs/spd/pages/adv/hcc/index.aspx> , OHCC Facebook page and the next OHCC newsletter.
