Extension of time for filing statement

Oregon Revised Statutes (ORS) 308.535 allows us to extend the time for filing this statement if you show good cause. To receive an extension, send us a written request explaining your need for the extension. The extension request must be filed before the due date of your annual statement.

If you fail to make a statement or furnish the required information, the law also states "the department shall inform itself as best it may as to the matters necessary to be known in order to discharge its duties with respect to the property of the company."

Penalties for failure to file or false or fraudulent statement

Your statement is considered delinquent if it's not filed by February 1 or by the extended date, if we have allowed one. The penalty for a delinquent statement is \$10 for each \$1,000 (or fraction thereof) of assessed value placed on the assessment roll (ORS 308.030).

Willfully providing a false or fraudulent statement is perjury [ORS 308.990(4)] and "upon conviction, shall be punished as otherwise provided by law for such crime."

Additional information you must file

In addition to the schedules provided, **all companies** must file a copy of:

- The company's **complete** Annual Report filed with the Oregon Public Utility Commission or a federal regulatory body (if the company filed this annual report).
- The company's 10-K (and parent company's 10-K, if applicable) filed with the Securities and Exchange Commission.

- **For all companies:** The cover letter sent with this packet may also request information in addition to the data required on the standard schedule forms. Read the letter carefully. The additional data requested is an **integral part of your total reporting requirement**. You must provide us with this additional information [ORS 308.525(16)].

Oregon law

ORS 308.515 requires us to make an annual assessment of designated utilities and companies. ORS 308.515(1) charges us to assess any property having situs in this state:

“...and that, except as provided in subsection (3) of this section, is used or held for future use by any company in performing or maintaining any of the following businesses or services or in selling any of the following commodities, whether in domestic or interstate commerce or in any combination of domestic and interstate commerce, and whether mutually or for hire, sale or consumption by other persons: Railroad transportation; Railroad switching and terminal; Electric rail transportation; Private railcar transportation; Air transportation; Water transportation upon inland water of the State of Oregon; Air or railway express; Communication; Heating; Gas; Electricity; Pipeline; Toll bridge; or Private railcars...”

ORS 308.525 specifies what facts the companies should supply to us. ORS 308.525(16) also allows us to gather “any other facts or information the department requires in the form of return prescribed by it.”

Substitute forms acceptable

We accept photocopies and replicas of this packet. If you need an additional packet, call (503) 945-8331 or download forms from www.oregon.gov/dor/forms.

Electronic filing

We encourage you to submit data in an electronic format to save time and reduce errors, especially companies with complex tables and those with a large asset inventory or with property located in many tax code areas throughout the state.

You may file electronic schedules in place of hard copy schedules. If you file electronically, sign the authorization for exchange of confidential information at the bottom of page 1 of your annual statement.

If you use an electronic schedule, the format must be compatible with Microsoft Office and Windows (such as Excel spreadsheets, Access data, or Word documents).

Important: Format your electronic data according to the format provided in the annual statement schedule. Label the schedules so we can readily identify which schedule you are submitting electronically. If you have questions regarding acceptable formats, contact the assigned appraiser at the phone number located on the attached cover letter.

Electronic forms in Microsoft Excel format are located at www.oregon.gov/dor/forms.

The data may be sent on CD-ROM along with the form or may be attached via an email message to the address below the appraiser’s name provided on the cover letter. If you submit the data using email, there is a possibility it won’t remain secure in transit. We maintain that all information is confidential on receipt and won’t be released to third parties. During transit, however, information may be considered insecure and may be intercepted by third parties. Sign the authorization line on page 1 of your annual statement so we can send your confidential information via email.
