**Oregon Talent Council Grant**

Please be advised that the above referenced RFGP has been released. If you are receiving this notice it is because it has been determined that you may have an interest in providing the activities described in the RFGP.

The opportunity with the State of Oregon, Oregon Employment Department, Oregon Talent Council can be viewed and downloaded from the Oregon Procurement Information Network (ORPIN) at the following website:

<http://orpin.oregon.gov/open.dll/welcome>

Once at the website you can do an advanced search for "Opportunity No:" 16098s by partial match. If you have trouble downloading the RFGP, please contact the ORPIN Help Desk at 503-378-4642 for assistance. The RFGP document will provide all the instructions necessary to provide a proposal in response to the RFGP.

The activities sought by this RFGP are to prepare students and incumbent workers to be quickly productive in Oregon's pivotal and high demand occupations, as identified by Oregon Talent Council in the Oregon Talent Plan.

Grant funds awarded as a result of this RFGP shall be used to support the development of Oregon Talent serving the following industry sectors and be focused on the ten priority occupations identified as high need on page 3 of the Oregon Talent Plan, attached to the RFGP:

- a. advanced manufacturing;
- b. healthcare;
- c. information technology;
- d. bioscience; and
- e. energy technologies and utilities.

Thank you for your attention to this very important matter.

Sincerely,

April Barrett, OPBC
