### Notice of Withdrawal of Agency Order

In accordance with ORS 183 482(6) and Oregon Rules of Appellate Procedure 4 35(1), the Employment Relations Board provides notice that it is withdrawing and will reconsider the Order it issued on October 30, 2007

The agency takes this action to address remedial issues raised and discussed in the Court of Appeals order issued on January 13, 2009. The court's order reversed the agency's ruling on a motion to amend a stay, affirmed other orders, and declined to stay the October 2007 order. The agency will submit a new order after reconsideration within 21 days.

For the Board,

Paul Gamson, Chair
