College Affordability and Transparency Center 

Welcome to the College Affordability and Transparency Center. Start here to find information about how much it costs students to attend different colleges, how fast those costs are going up, and information related to why costs are going up.

College Scorecard

College Scorecards make it easier for you to search for a college that is a good fit for you. You can use the College Scorecard to find out more about a college's affordability and value so you can make more informed decisions about which college to attend.

[Enter](#)

Net Price Calculator Center

Here you will find links to colleges' net price calculators. Net price calculators help you estimate how much colleges cost after scholarships and grants.

[Enter](#)

College Navigator

Here you can search for and compare colleges on all sorts of criteria including costs, majors offered, size of school, campus safety, and graduation rates.

[Enter](#)

College Affordability and Transparency List

Here you will find information about tuition and net prices at postsecondary institutions. The site highlights institutions with high and low tuition and fees as well as high and low net prices (the price of attendance minus grant and scholarship aid). It also shows institutions where tuition and fees and net prices are increasing at the highest rates.

[Enter](#)

90/10 Information

Here you will find a list of for-profit (proprietary) postsecondary institutions that receive more than 90 percent of their revenues from Title IV Federal Student Aid.

[Enter](#)

State Spending Charts

Here you will find summary information on changes in state appropriations for postsecondary education, state aid for students, and tuition and fees.

College Scorecard

- Will be updated annually
- Institutions are compared to “similar institutions” on each of the measures
 - Primarily bachelor’s degree granting
 - Primarily associate’s degree-granting
 - Primarily certificate granting

College Scorecard

Plans for the future:

- Explore providing a Scorecard for all institutions
- Exploring function that would allow users to compare more than 1 institution at a time
- Developing a College Ratings system that will be featured on future College Scorecards. Ratings will be based on Access, Affordability, and Outcomes

College Scorecards in the U.S. Department of Education's College Affordability and Transparency Center make it easier for you to search for a college that is a good fit for you. You can use the College Scorecard to find out more about a college's affordability and value so you can make more informed decisions about which college to attend.

To start, enter the name of a college of interest to you or select factors that are important in your college search. You can find scorecards for colleges based on factors such as programs or majors offered, location, and enrollment size.

Search for a college by name...

Choose from the following options to begin searching for colleges of interest to you by:

[🚩 College Location](#) | [🎓 Type of College](#) | [📍 My Area of Interest](#) | [★ Popular Criteria](#)

College Scorecard

Costs

\$8,527 / yr

What does it typically cost to attend San Diego State University?

The average net price for undergraduate in-state students is \$8,527 per year. Net price is what undergraduate students pay after grants and scholarships (financial aid you don't have to pay back) are subtracted from the institution's cost of attendance.

The average net price has **decreased 11.6%** from 2007 to 2009.

Click here to see listings of changes in college costs.

Click here to go to the Net Price Calculator for a better estimate of what your costs would be.

Graduation Rate

65.6%

What percentage of students graduate?

65.6% of full-time students received their bachelor's degree within 6 years and 6.3% transferred to another institution. Graduation rate data are based on undergraduate students who enrolled full-time and have never enrolled in college before. This may not represent all undergraduates that attend this institution.

Loan Default Rate

3.8% (The Institution)

13.4% (National)

Are students able to repay their loans after they graduate?

3.8% of borrowers defaulted on their Federal student loans within three years of entering repayment.

Median Borrowing

\$179.50 / mo

What is the typical amount borrowed for a student's undergraduate study?

Families typically borrow \$15,598 in Federal loans for a student's undergraduate study. The Federal loan payment over 10 years for this amount is approximately \$179.50 per month. Your borrowing may be different.

To learn about loan repayment options, go to: <http://studentaid.ed.gov/repay-loans/Understand/plans>

Employment

What kinds of jobs do students have when they graduate?

The U.S. Department of Education is working to provide information about the average earnings of former undergraduate students at San Diego State University who borrowed Federal student loans. In the meantime, ask San Diego State University to tell you about how many of its graduates get jobs, what kinds of jobs they get, and how much those graduates typically earn.

Visit <http://www.nextmove.org> to explore what potential careers a particular postsecondary program or major prepares you to enter. The site has information about current earnings and potential growth in those occupations.
