Placement Advising for Student Success

» **THIS IS NOT A TEST!** «

Placement Advising for Student Success (PASS) gives students an alternative to traditional placement testing. Students are invited to make a free, 15-minute appointment with one of the friendly placement advisors who can offer one-on-one guidance about which classes are best for you.

If you've ever had test anxiety or are a little rusty in math, writing or reading, our advisors can help assess where you're at, and if necessary, they can help you find resources you need to get up to speed.

Clackamas Community College has just launched a *pioneering program* to *help students* get placed in the *best classes* to fit their *skill levels*.

GETTING PLACED IN THE RIGHT CLASS FOR YOUR SKILL LEVEL MEANS YOU'LL SAVE TIME AND MONEY BY NOT TAKING CLASSES YOU DON'T REALLY NEED.
