**STATEMENT OF CLAIM FORM
MATERIAL SUPPLIER**

**INSTRUCTIONS FOR COMPLETION
OF THE STATEMENT OF CLAIM FORM**

Claims may only be filed up to one year after the delivery date. Claims are for a breach of contract for unpaid material or equipment. Also note that nonowner claims (this includes material supplier claims) may only receive up to \$3,000 of any one bond. This means that all nonowner claims together may only receive up to \$3,000 of any one bond.

1. **Complete all applicable boxes on the claim form. If you fail to do this, the form will be returned to you for completion and the processing of your claim will be delayed.** However, if you do not have the landscape contracting business' LCB number, leave that space blank and we will search our records for the number.
2. Be sure to include a complete list of unpaid invoices in chronological order. Attach a copy of each invoice listed. Failure to provide this information will result in a delay in processing of your claim. Provide documentation to verify your claim, such as statements, invoices, or billings, and both sides of NSF checks.
3. Be sure to date and sign the claim form. Failure to submit a signed claim form will result in a delay in processing your claim.

PLEASE ADHERE TO THE FOLLOWING GUIDELINES IN ALL INFORMATION YOU SUBMIT THROUGH THE PROCESSING OF THIS CLAIM.

1. Use 8 ½” by 11” (normal letter size) paper. If you have items smaller than 8 ½” by 11”, please tape them to 8 ½” by 11” paper. For two-sided items such as checks, photocopy each side. **Send legible copies, not originals.**
2. Type or write in blue or black ink. No pencil, please.
3. Don't organize documents in notebooks or binders. These will not fit in our files. Please don't attach post-it notes or business cards.
4. Allow at least a ½” margin on all sides of each page, and do not write on both sides of the paper.
5. Use white or very light colored paper. Other colors of paper do not copy well.
6. Do not highlight portions of documents. When photocopied, the highlighted areas black out the text behind it.
