

How to Report Flood Damage

Was your home or business flooded? Your [Local Emergency Manager](http://www.oregon.gov/OMD/OEM/docs/plan_train/locals_list.pdf) (http://www.oregon.gov/OMD/OEM/docs/plan_train/locals_list.pdf) needs to hear from you.

Be prepared to answer these questions:

- Name of owner or renter of property
- Address of property, including county
- Contact phone number
- Is property a primary residence, rental, or business?
- Is the property a single-family home, mobile home, or multifamily/apartment building?
- What type of damage was sustained (five categories apply)?
 - o Affected - Habitable
 - o Minor - Homes that can be made habitable quickly and without great expense
 - o Major - Homes requiring costly or extended repair to be made habitable
 - o Destroyed
 - o Inaccessible
- Is the property or property contents insured?
- Estimated damage or loss

Information collected will be made available to Oregon Emergency Management as part of a damage assessment process for submission to the Federal Emergency Management Agency (FEMA).
