DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial**

**STATE ELECTION NUMBERS:** E130732 and E131044<sup>1,2</sup>

**CLAIMANT:** Alice I. Propes  
225 SE Walnut Avenue  
Dallas, OR 97338

**MEASURE 37 PROPERTY  
IDENTIFICATION:** Township 6S, Range 7W, Section 35  
Tax lots 1600 and 1601  
Polk County

The claimant, Alice Propes, filed claims with the state under ORS 197.352 (2005) (Measure 37) on November 14, 2006 and November 21, 2006, for property located at 23250 Mountain Springs Drive and 4765 Evergreen Lane, near Sheridan, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claims under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of these claims.

**I. ANALYSIS OF CLAIM**

**A. Maximum Number of Home Sites for Which the Claimant May Qualify**

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claims filed with the state. The claimant has requested four home site approvals in the election material. No waiver was issued for these claims. The Measure 37 claims filed with the state describes approximately 10

<sup>1</sup> Claims E130732 and E131044 have been combined into one claim because the properties are contiguous. Per OAR 660-041-0150 the Department of Land Conservation and Development will combine multiple claims into one claim if the Measure 37 claim property contains multiple contiguous lots or parcels that are in the same ownership.

<sup>2</sup> The claimant also has submitted claims for properties not contiguous to the subject property which are identified as E130438, E131045, and E131714.

home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimant, Alice Propes, filed Measure 37 claims, M130732 (tax lot 1600) and M131044 (tax lot 1601), with the state on November 14, 2006 and November 21, 2006, respectively. The claimant filed Measure 37 claims, M06-97 and M06-125, with Polk County on November 14, 2006 and November 21, 2006, respectively. The state claims were filed prior to December 4, 2006.

The claimant timely filed Measure 37 claims with both the state and Polk County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed submitted by the claimant, Alice Propes is the settlor of a revocable trust into which she conveyed the Measure 37 claim property and, therefore, is an owner of the property under Measure 49.

Polk County has confirmed that the claimant is a current owner of the property.

### **3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

The deed by which the claimant acquired the property indicates that there is one non-claimant owner. The claimant has submitted a consent form signed the non-claimant owner.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Sheridan.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Acreage Residential (AR-5) by Polk County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Polk County's AR-5 zone requires a minimum lot size of 5 acres.

The claimant's property consists of approximately 10 acres and is developed with two dwellings. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or

(d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Polk County deed records indicate that the claimant acquired the property on September 15, 2006.

The zoning of the Measure 37 claim property has not changed since the claimant acquired the property. As it is today, on September 15, 2006, the Measure 37 claim property was subject to Polk County's acknowledged Acreage Residential (AR-5) zone. Polk County's AR-5 zone required 5 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of approximately 10 acres and is developed with two dwellings.

The claimant is not eligible for Measure 49 relief because the lawfully permitted uses of the claimant's property have not changed since the claimant acquired the property.

**II. COMMENTS ON THE PRELIMINARY EVALUATION**

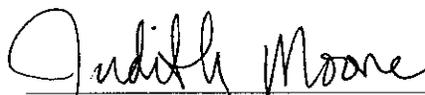

The department issued its Preliminary Evaluation for this claim on January 20, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

**III. CONCLUSION**

Based on the analysis above, the claimant is not eligible for any relief under Measure 49 because the zoning and lawfully permitted uses of the claimant's property have not changed since she acquired the property.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
