

OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER: E131430¹

CLAIMANTS: Cheryl I. and Scott A. Zentz
13885 Highway 22
Dallas, OR 97338

MEASURE 37 PROPERTY

IDENTIFICATION: Township 7S, Range 5W, Section 8
Tax lots 100², 103, 104 and 105
Polk County

The claimants, Cheryl and Scott Zentz, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 28, 2006, for property located at 13885 Highway 22, near Dallas, in Polk County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.³

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested supplemental review under Section 6 of Measure 49. No waiver was issued for this claim. The Measure 37 claim filed with the state describes sixteen home sites.

¹ The claimant Cheryl Zentz also submitted a claim for property not in the same ownership which is identified as E131431.

² The Measure 37 claim property consisted of tax lots 100, 103, 104 and 105. Tax lot 100 has since been divided into tax lots 100 and 106.

³ The claimants initially elected to have their claim reviewed under Section 7 of Measure 49, but amended their election to request review under Section 6.

Therefore, the claimants may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, Cheryl and Scott Zentz, filed a Measure 37 claim, M131430, with the state on November 28, 2006. The claimants filed a Measure 37 claim, M06-157, with Polk County on November 29, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Polk County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, Cheryl and Scott Zentz are the owners of fee title to the property as shown in the Polk County deed records and, therefore, are owners of the property under Measure 49.

Polk County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Polk County, outside the urban growth boundary and outside the city limits of the nearest city, Dallas.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

Tax lots 100, 104, 105 and 106 of the property are currently zoned Exclusive Farm Use (EFU) by Polk County, in accordance with ORS chapter 215 and OAR 660, division 33, because the property is "agricultural land" as defined by Goal 3. Goal 3 requires agricultural land to be zoned exclusive farm use. Applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an EFU zone and regulate the establishment of dwellings on new or existing lots or parcels.

This portion of the property consists of 80.43 acres and is developed with a dwelling.

Tax lot 103 of the property is currently zoned Farm/Forest (FF) by Polk County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels. Under ORS 215.780(2)(a), counties may adopt minimum lot sizes smaller than 80 acres, subject to approval by the Land Conservation and Development Commission (the Commission). The Commission has approved Polk County's FF zone, which requires a minimum lot size of 40 acres.

This portion of the property consists of 0.37 acres.

Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the three home sites the claimants may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimants, it does not appear that the establishment of the three home sites for which the claimants may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Polk County deed records indicate that claimant Cheryl Zentz acquired the property on July 17, 2003, and claimant Scott Zentz acquired the property on October 20, 2003. Therefore, for purposes of Measure 49, the claimants' acquisition date is July 17, 2003.

On July 17, 2003, tax lots 100, 104, 105 and 106 of the Measure 37 claim property were subject to Polk County's acknowledged Exclusive Farm Use (EFU) zone. Polk County's EFU zone required 80 acres for the creation of a new lot or parcel on which a dwelling could be established. This portion of the claimants' property consists of 80.43 acres and is developed with one dwelling. Therefore, the claimants lawfully could not have established any additional home sites on tax lots 100, 104, 105 and 106 of the Measure 37 claim property on their date of acquisition.

On July 17, 2003, tax lot 103 of the Measure 37 claim property was subject to Polk County's acknowledged Farm/Forest (FF) zone. Polk County's FF zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. This portion of the claimants'

property consists of 0.37 acres. Therefore, the claimants lawfully could not have established any home sites on tax lot 103 of the Measure 37 claim property on their date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

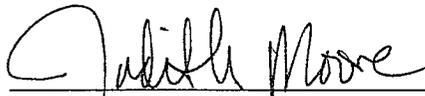

The department issued its Preliminary Evaluation for this claim on December 16, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants would not have been lawfully permitted to establish any home sites when they acquired the property and the zoning and lawfully permitted uses of the claimants' property have not changed since they acquired it.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
