DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Preliminary Evaluation**

August 29, 2008

STATE ELECTION NUMBER:

E118488

CLAIMANT:

Joe H. Shelley
5225 SE El Centro Way
Milwaukie, Oregon 97267

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 2S, Range 5E, Section 24
Tax lot 200
Clackamas County

I. ELECTION

The claimant, Joe Shelley, filed a claim under ORS 197.352 (2005) (Measure 37) on May 23, 2005, for property located at 19002 SE Baty Road, near Sandy, in Clackamas County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed a Measure 37 claim to elect supplemental review of their claim under either Section 6 (Express option) or 7 (Conditional option) of Measure 49. The claimant has elected supplemental review of his Measure 37 claim under the Express option. The Express option authorizes the Department of Land Conservation and Development (the department) to issue up to three home site approvals to qualified claimants.

II. SUMMARY OF PRELIMINARY EVALUATION

Based on the department's preliminary analysis, set forth below, it appears that the claimant may be qualified for up to three home site approvals on the Measure 37 claim property. The claimant's property, including both the Measure 37 claim property and all contiguous property in the same ownership, currently appears to consist of one lot or parcel, which is undeveloped. After taking into account the number of lots, parcels and dwellings currently located on the Measure 37 claim property and the contiguous property under the same ownership, it appears that the home site approvals will allow the claimant to establish two additional lots or parcels and three dwellings on the Measure 37 claim property.

III. THE MAXIMUM NUMBER OF HOME SITE APPROVALS FOR WHICH THE CLAIMANT MAY QUALIFY

Under the Section 6 Express option, the number of home site approvals issued by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; the number described in a Measure 37 waiver issued by the state; or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in his election. The Measure 37 waiver issued for this claim describes three home sites. Therefore, the claimant(s) may qualify for a maximum of three home sites approvals under the Section 6 Express option.

IV. PRELIMINARY EVALUATION OF QUALIFICATION FOR HOME SITE APPROVAL

1. Preliminary Analysis

To qualify for a home site approval under the Section 6 Express option, a claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

The claimant, Joe Shelley, filed a Measure 37 claim, M118488, with the state on May 23, 2005. The claimant filed a Measure 37 claim with Clackamas County, ZC144-05, on May 23, 2005. The state claim was filed prior to or on December 4, 2006.

It appears that the claimant timely filed a Measure 37 claim with both the state and Clackamas County.

In addition to filing a claim with both the state and the county in which the property is located, to qualify for a home site approval under the Express option the claimant must establish each of the following:

(a) The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

According to the recorded order of the distribution of the estate of Percy Shelley submitted by the claimant, Joe Shelly is an owner of fee title to the property as shown in the Clackamas County deed records and is, therefore, an owner of the property under Measure 49.

(b) All Owners of the Property Have Consented in Writing to the Claim

All owners of the property have consented to the claim in writing.

(c) The Measure 37 Claim Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The property, tax lot 200, is located in Clackamas County, at 19002 SE Baty Road, outside the urban growth boundary and outside the city limits of the nearest city, Sandy.

(d) One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

As stated in Section III above, the claimant may qualify for up to three home site approvals.

The property is currently zoned Timber by Clackamas County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is “forest land” under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, generally prohibit the establishment of a dwelling on a lot or parcels less than 80 acres in size in a forest zone.

The claimant’s property consists of 26.20 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

(e) The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Based on the documentation submitted by the claimant, it does not appear that the establishment of home sites on the property would be prohibited by land use regulations described in ORS 195.305(3).

(f) On the Claimant’s Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49.

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Clackamas County deed records indicate that the claimant acquired the property on August 19, 1966.

On August 19, 1966, the Measure 37 claim property was not subject to any local or state laws that would have prohibited the claimant from establishing at least three dwellings and at least three lots or parcels. Therefore, the claimant lawfully could have established the three home sites the claimant appears to qualify for under Section 6 of Measure 49.

2. Preliminary Conclusion

Based on the preliminary analysis, it appears that the claimant, Joe Shelley, qualifies for up to three home site approvals under the Section 6 Express option of Measure 49.

V. NUMBER OF LOTS, PARCELS OR DWELLINGS ON OR CONTAINED WITHIN THE PROPERTY

The number of lots, parcels or dwellings that a claimant may establish pursuant to the home site approvals is reduced by the number of lots, parcels or dwellings currently in existence on the Measure 37 claim property and any contiguous property under the same ownership. However, if a claimant otherwise qualifies for relief under the Section 6 Express option, the claimant will be able to establish at least one additional lot, parcel or dwelling regardless of the number of lots, parcels or dwellings currently in existence.

Based on the documentation provided by the claimant, the Measure 37 claim property appears to currently include one lot or parcel and no dwellings. There is no contiguous property under the same ownership. Therefore, the three home site approvals the claimant may qualify for under the Express option will allow the claimant to establish up to two additional lots or parcels and three dwellings on the Measure 37 claim property. Each dwelling must be on a separate lot or parcel, and must be contained within the Measure 37 claim property.

VI. PRELIMINARY STATEMENT OF PROPOSED LIMITATIONS AND CONDITIONS ON THE NUMBER AND SCOPE OF HOME SITE APPROVALS

The department has identified the following limitations and conditions that may affect the number or scope of the home site approvals that the claimant(s) would otherwise be entitled to under Section 6 of Measure 49. This list may not be comprehensive and does not preclude the possibility that other considerations, not yet identified by the department, may affect land divisions or the establishment of dwellings authorized by the home site approval.

1. The establishment of a land division or dwelling based on a Measure 49 home site approval must comply with all applicable standards governing the siting or development of the land division or dwelling. However, those standards must not be applied in a manner that prohibits the establishment of the land division or dwelling, unless the standards are reasonably necessary to avoid or abate a nuisance, to protect public health or safety, or to carry out federal law.
2. A home site approval will not authorize the establishment of a land division or dwelling in violation of a land use regulation described in ORS 195.305(3) or in violation of any other law that is not a land use regulation as defined by ORS 195.300(14).
3. A claimant is not eligible for more than 20 home site approvals under Sections 5 to 11 of Measure 49 regardless of how many properties a claimant owns or how many claims a claimant filed.
4. The number of lots, parcels or dwellings a claimant may be eligible to establish under a Measure 49 authorization is reduced by the number of lots, parcels and dwellings currently in existence on the Measure 37 claim property and contiguous property in the same ownership, regardless of whether evidence of their existence has been provided to the department. If lots, parcels or dwellings currently exist on the Measure 37 claim property or on contiguous property under the same ownership and the lots, parcels or dwellings have not been disclosed to the department, then the number of additional lots, parcels or dwellings a claimant may establish pursuant to the home site approval must be reduced according to the methodology stated in Section 6(2)(b) and 6(3) of Measure 49.
5. A home site approval only authorizes the establishment of one or more new lots, parcels or dwellings on the Measure 37 claim property. No additional development is authorized on contiguous property for which no Measure 37 claim was filed. Each lot or parcel established pursuant to a home site approval must either be the site of a dwelling that is currently in existence or be the future site of a dwelling that will be established pursuant to the home site approval. The home site approval does not authorize the establishment of a new dwelling on a lot or parcel that already contains one or more dwellings. The claimant may be required to alter the configuration of the lots or parcels currently in existence on the Measure 37 claim property and contiguous property so that each additional dwelling established on the Measure 37 claim property, pursuant to the home site approval, is sited on a separate lot or parcel.

6. Once the department issues a final home site approval, the home site approval will run with the property and will transfer with the property. The home site approval will not expire, except that if a claimant who received a home site approval later conveys the property to a party other than the claimant's spouse or the trustee of a revocable trust in which the claimant is the settlor, the subsequent owner of the property must establish the authorized lots, parcels and dwellings within 10 years of the conveyance. A lot or parcel lawfully created based on the home site approval will remain a discrete lot or parcel, unless the lot or parcel lines are vacated or the lot or parcel is further divided, as provided by law. A dwelling lawfully created based on a home site approval is a permitted use.
7. Because the property is located in a forest zone, the home site approval will not authorize new lots or parcels that exceed five acres. Before beginning construction in one of these zones, the owner must comply with the requirements of ORS 215.293. Further, the home site approval will not authorize new lots or parcels that exceed two acres if the new lots or parcels are located on high-value farmland, on high-value forestland or on land within a ground water restricted area.
8. Because the property is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone, Measure 49 requires new home sites to be clustered so as to maximize suitability of the remnant lot or parcel for farm or forest use. Further, if an owner of the property is authorized by other home site approvals to subdivide, partition, or establish dwellings on other Measure 37 claim properties, Measure 49 authorizes the owner to cluster some or all of the authorized lots, parcels or dwellings that would otherwise be located on land in an exclusive farm use zone, a forest zone or a mixed farm and forest zone on a single Measure 37 claim property that is zoned residential use or is located in an exclusive farm use zone, a forest zone or a mixed farm and forest zone but is less suitable for farm or forest use than the other Measure 37 claim properties.

VII. NOTICE OF OPPORTUNITY TO COMMENT

A claimant or the claimant's authorized agent, a county and any third party may submit written comments, evidence and information in response to the preliminary evaluation. The comments, evidence and information must be filed with the department no more than twenty-eight (28) calendar days after the date this evaluation is mailed to the claimant and the claimant's agent and notice of this evaluation is mailed to third parties.

The department will mail a copy of all materials timely filed by a county or a third party with the department to the claimant and the claimant's agent. A claimant or a claimant's/s' authorized agent may then file written comments, evidence or information in response to the materials filed by the third party or county. That response must be filed no more than twenty-one (21) calendar days after the date the department mails the materials to the claimant and the claimant's authorized agent.

All comments, evidence and information in response to the preliminary evaluation and all responses to materials filed by a third party or a county shall be delivered to Supplemental Measure 49 Claim Review, 635 Capitol Street NE, Suite 150, Salem, Oregon 97301-2540 and will be deemed timely filed either (1) if actually delivered to the department before the close of business on the final eligible calendar day, or (2) if mailed on or before the final eligible calendar day.

Note: Please reference the claim number and claimant name and clearly mark your comments as "Preliminary Evaluation Comments." Comments must be submitted in original written form only. Comments submitted electronically or by facsimile will not be accepted.
