Project Location: Astoria, Clatsop County, Oregon T8N R9W S 02, 03, 07, 08, 09, 10
Comments Due to DLCD: September 15, 2015

Notice is hereby given that the Oregon Department of Land Conservation & Development (DLCD) is reviewing the following permit application for consistency with the Oregon Coastal Management Program:

PROPOSED PROJECT: The proposed project consists of maintenance and repair of Railroad trestles under the City of Astoria jurisdiction. The project will be to repair rotted and damaged pilings, mudsills, caps, stringers, and cross members on the trestles within the City.

ADDITIONAL INFORMATION: Additional project information and related documents, including the Joint Permit Application, are available online at:
http://www.oregon.gov/LCD/OCMP/PublicNotice_Intro.shtml

COASTAL ZONE REVIEW CRITERIA: DLCD is reviewing this project and soliciting comments that address the proposed project's consistency with applicable elements of the Oregon Coastal Management Program, including:

- Statewide Planning Goals
- Acknowledged Local Comprehensive Plans & Implementing Ordinances
- State Authorities incorporated into the Oregon Coastal Management Program (e.g., Removal-Fill Law, Water Quality Standards, Fish & Wildlife Regulations), as applicable.

INCONSISTENT? If you believe this project is inconsistent with the Oregon Coastal Management Program, your comments to DLCD should explain why you believe the project is inconsistent and should identify the program element(s) in question. You should also describe how the project could be modified, if possible, to make it consistent.

COMMENTS: Please submit written comments regarding the project's consistency with the Oregon Coastal Management Program to:
