**DIVISION 025  
PERIODIC REVIEW**

1 **660-025-0010**

2 **Purpose**

3 The purpose of this division is to carry out the state policy outlined in ORS 197.010  
4 and 197.628. This division is intended to implement provisions of ORS 197.626 through  
5 197.646. The purpose for periodic review is to ensure that comprehensive plans and land use  
6 regulations remain in compliance with the statewide planning goals adopted pursuant to ORS  
7 197.230, and that adequate provision for needed housing, economic development,  
8 transportation, public facilities and services, and urbanization are coordinated as described in  
9 ORS 197.015(5). Periodic Review is a cooperative process between the state, local  
10 governments, and other interested persons.

10 **Periodic Review Schedule**

11 (1) The commission must approve, and update as necessary, a schedule for periodic  
12 review. The schedule must include the date when each local government must be sent a letter  
13 by the department requesting the local government to commence the periodic review process.

14 (2) The schedule developed by the commission must reflect the following:

15 (a) A city with a population of more than 2,500 within a metropolitan planning  
16 organization or a metropolitan service district shall conduct periodic review every seven years  
17 after completion of the previous periodic review.

18 (b) A city with a population of 10,000 or more inside its urban growth boundary that is  
19 not within a metropolitan planning organization shall conduct periodic review every 10 years  
20 after completion of the previous periodic review.

21 (c) A county with a portion of its population within the urban growth boundary of a  
22 city subject to periodic review under this section shall conduct periodic review for that  
23 portion of the county according to the schedule and work program set for the city.

24 (d) Notwithstanding subsection (c) of this section, if the schedule set for the county is  
25 specific as to that portion of the county within the urban growth boundary of a city subject to  
26 periodic review under this section, the county shall conduct periodic review for that portion of  
27 the county according to the schedule and work program set for the county.

28 (3) The commission may establish a schedule that varies from the standards in  
29 section (2) of this rule if necessary to coordinate approved periodic review work programs or  
30 to account for special circumstances. The commission may schedule a local government's  
31 periodic review earlier than provided in section (2) of this rule if necessary to ensure that all  
32 local governments in a region whose land use decisions would significantly affect other local  
33 governments in the region are conducting periodic review concurrently, but not sooner than  
34 five years after completion of the previous periodic review.

35 (4) The director must maintain and implement the schedule. Copies of the schedule  
36 must be provided upon request.

42 **Initiating Periodic Review Outside the Schedule**

43 (1) A local government may request, and the commission may approve, initiation of  
44 periodic review not otherwise provided for in the schedule established under OAR 660-025-  
45 0030. The request must be submitted to the commission along with justification for the  
46 requested action. The justification must include a statement of local circumstances that  
47 warrant periodic review and identification of the statewide planning goals to be addressed.

1 (2) In consideration of the request filed pursuant to section (1), the commission must  
2 consider the needs of the jurisdiction to address the issue(s) identified in periodic review, the  
3 interrelationships of the statewide planning goals to be addressed in the periodic review  
4 project, and other factors the commission finds relevant. If the commission approves the  
5 request, the provisions of this division apply, except as provided in section (3) of this rule.

6 (3) The Economic Revitalization Team may work with a city to create a voluntary  
7 comprehensive plan review that focuses on the unique vision of the city, instead of  
8 conducting a standard periodic review, if the team identifies a city that the team determines  
9 can benefit from a customized voluntary comprehensive plan review. In order for a voluntary  
10 comprehensive plan review to be initiated by the commission, the city must request initiation  
11 of such a modified periodic review. The provisions of this division apply except as follows:

12 (a) If the city is subject to the periodic review schedule in OAR 660-025-0030, the  
13 periodic review under this section will not replace or delay the next scheduled periodic  
14 review;

15 (b) If the city misses a deadline related to an evaluation, work program or work task,  
16 including any extension, the commission must terminate the evaluation, work program, or  
17 work task or impose sanctions pursuant to OAR 660-025-0170(3).

18 (4) If the commission pays the costs of a local government that is not subject to OAR  
19 660-025-0030 to perform new work programs and work tasks, the commission may require  
20 the local government to complete periodic review when the local government has not  
21 completed periodic review within the previous five years if:

22 (a) A city has been growing faster than the annual population growth rate of the state  
23 for five consecutive years;

24 (b) A major transportation project on the Statewide Transportation Improvement  
25 Program that is approved for funding by the Oregon Transportation commission is likely to:

26 (A) Have a significant impact on a city or an urban unincorporated community; or

27 (B) Be significantly affected by growth and development in a city or an urban  
28 unincorporated community;

29 (c) A major facility, including a prison, is sited or funded by a state agency; or

30 (d) Approval by the city or county of a facility for a major employer will increase  
31 employment opportunities and significantly affect the capacity of housing and public facilities  
32 in the city or urban unincorporated community.

33 (5) As used in section (4) of this rule, “the costs of a local government” means: normal  
34 and customary expenses for supplies, personnel and services directly related to preparing a  
35 work program, and completing studies and inventories, drafting of ordinances, preparing and  
36 sending notices of hearings and meetings, conducting meetings and workshops, and  
37 conducting hearings on possible adoption of amendments to plans or codes, to complete a  
38 work task.

44 **Exclusive Jurisdiction of LCDC**

45 (1) The commission, pursuant to ORS 197.644(2), has exclusive jurisdiction to review  
46 the evaluation, work program, and all work tasks for compliance with the statewide planning  
47 goals and applicable statutes and administrative rules. Pursuant to ORS 197.626, the

1 commission has exclusive jurisdiction to review the following land use decisions for  
2 compliance with the statewide planning goals:

3 (a) If made by a city with a population of 2,500 or more inside its urban growth  
4 boundary, amendments to an urban growth boundary to include more than 50 acres;

5 (b) If made by a metropolitan service district, amendments to an urban growth  
6 boundary to include more than 100 acres;

7 (c) plan and land use regulations that designate urban reserve areas.

8 (2) The director may transfer one or more matters arising from review of a work task,  
9 urban growth boundary amendment or designation or amendment of an urban reserve area to  
10 the Land Use Board of Appeals pursuant to ORS 197.825(2)(c)(A) and OAR 660-025-0250.

22 beginning periodic review.

23 (2) The periodic review commencement letter must include the following information:

24 (a) A description of the requirements for citizen involvement, evaluation of the plan

40 the evaluation and work program development process. The director must seek input from  
41 agencies, regional governments and local governments on the membership of Periodic  
42 Review Assistance Team(s).

43 (2) Members of the Periodic Review Assistance Team will provide, as appropriate:

44 (a) Information relevant to the periodic review process;

3 governments who may have an interest in the review.

4 (4) Meetings. The Periodic Review Assistance Team shall meet as necessary to  
5 provide information and advice to a local government in periodic review.

6 (5) Authority. The Periodic Review Assistance Team shall be an advisory body. The  
7 team may make recommendations concerning an evaluation, a work program or work task  
8 undertaken pursuant to an approved work program. The team may also make  
9 recommendations to cities, counties, state agencies and the commission regarding any other  
10 issues related to periodic review.

11 (6) In addition to the Periodic Review Assistance Team(s), the department may utilize  
12 the Economic Revitalization Team or institute an alternative process for coordinating agency

21 **Need for Periodic Review**

22 (1) The following conditions indicate the need for, and establish the scope of, review  
23 for periodic review of comprehensive plans and land use regulations when required under  
24 OAR 660-025-0030:

25 (a) There has been a substantial change in circumstances including but not limited to  
26 the conditions, findings, or assumptions upon which the comprehensive plan or land use  
27 regulations were based, so that the comprehensive plan or land use regulations do not comply  
28 with the statewide planning goals relating to economic development, needed housing,  
29 transportation, public facilities and services and urbanization;

30 (b) Decisions based on acknowledged comprehensive plan and land use regulations  
31 are inconsistent with the goals relating to economic development, needed housing,  
32 transportation, public facilities and services and urbanization;

33 (c) There are issues of regional or statewide significance, intergovernmental  
34 coordination, or state agency plans or programs affecting land use which must be addressed in  
35 order to bring comprehensive plans and land use regulations into compliance with the goals  
36 relating to economic development, needed housing, transportation, public facilities and  
37 services and urbanization; or

38 (d) The existing comprehensive plan and land use regulations are not achieving the  
39 statewide planning goals relating to economic development, needed housing, transportation,  
40 public facilities and services and urbanization.

41 (2) When a local government requests initiation of periodic review under OAR 660-  
42 025-0035(2), the need for periodic review may be based on factors not contained in section  
43 (1) of this rule and the scope of such a periodic review may be more limited than would be the  
44 case for scheduled periodic review under section (1) of this rule.

3 **Citizen Involvement**

4 (1) The local government must use its acknowledged or otherwise approved citizen  
5 involvement program to provide adequate participation opportunities for citizens and other  
6 interested persons in all phases of the local periodic review. Each local government must  
7 publish a notice in a newspaper of general circulation within the community informing  
8 citizens about the initiation of the local periodic review. The local government must also  
9 provide written notice of the initiation of the local periodic review to other persons who, in  
10 writing, request such notice.

11 (2) Each local government must review its citizen involvement program and assure  
12 that there is an adequate process for citizen involvement in all phases of the periodic review  
13 process. Citizen involvement opportunities must, at a minimum, include:

14 (a) Interested persons must have the opportunity to comment in writing in advance of  
15 or at one or more hearings on the periodic review evaluation. Citizens and other interested  
16 persons must have the opportunity to present comments orally at one or more hearings on the  
17 periodic review evaluation. Citizens and other interested persons must have the opportunity to  
18 propose periodic review work tasks prior to or at one or more hearings. The local government  
19 must provide a response to comments at or following the hearing on the evaluation.

20 (b) Interested persons must have the opportunity to comment in writing in advance of  
21 or at one or more hearings on a periodic review work task. Citizens and other interested  
22 persons must have the opportunity to present comments orally at one or more hearings on a

30 **Commission Hearings Notice and Procedures**

31 (1) Hearings before the commission on a referral of a local government submittal of an  
32 evaluation, work program, determination that a work program is not necessary, or hearings on  
33 referral or appeal of a work task must be noticed and conducted in accordance with this rule.

34 (2) The commission shall take final action on an appeal or referral within 90 days of  
35 the date the appeal was filed or the director issued notice of the referral unless:

36 (a) At the request of a local government and a person who files a valid objection or  
37 appeals the director's decision, the department may provide mediation services to resolve  
38 disputes related to the appeal. Where mediation is underway, the commission shall delay its  
39 hearing until the mediation process is concluded or the director, after consultation with the  
40 mediator, determines that mediation is of no further use in resolution of the work program or  
41 work task disagreements;

42 (b) If the appeal or referral raises new or complex issues of fact or law that make it  
43 unreasonable for the commission to give adequate consideration to the issues within the 90-  
44 day limit the commission is not required to take final action within that time limit; or

45 (c) If the parties to the appeal and the commission agree to an extension, the hearing  
46 may be continued for a period not to exceed an additional 90 days.

1 (3) The director must provide written notice of the hearing to the local government,  
2 the appellant, objectors, and individuals requesting notice in writing. The notice must contain  
3 the date and location of the hearing.

4 (4) The director may prepare a written report to the commission on an appeal or  
5 referral. If a report is prepared, the director must mail a copy to the local government,  
6 objectors, the appellant, and individuals requesting the report in writing.

7 (5) Commission hearings will be conducted using the following procedures:

8 (a) The chair will open the hearing and explain the proceedings;

9 (b) The director or designee will present an oral report regarding the nature of the  
10 matter before the commission, an explanation of the director's decision, if any, and other  
11 information to assist the commission in reaching a decision. If another state agency  
12 participated in the periodic review under ORS 197.637 or 197.638, the agency may  
13 participate in the director's oral report.

14 (c) Oral argument will be allowed. The local government or governments whose  
15 decision is under review and parties who filed objections or an appeal may present oral  
16 argument. Oral argument will not be an opportunity to present new evidence regarding the  
17 matter before the commission. The local government that submitted the task may provide  
18 general information on the task submittal and address those issues raised in the department  
19 review, objections and the appeal. Persons who submitted objections or an appeal may  
20 address only those issues raised in objections or the appeal. Other affected local governments  
21 may address only those issues raised in objections or the appeal.

22 (d) The commission may request new evidence or information at its discretion and  
23 will allow the parties an opportunity to review and respond to the new evidence or  
24 information, subject to the time limits in section (2) of this rule.

25 (e) The director or commission may take official notice of law defined as:

26 (A) The decisional, constitutional and public statutory law of Oregon, the United  
27 States and any state, territory or other jurisdiction of the United States.

28 (B) Public and private official acts of the legislative, executive and judicial  
29 departments of this state, the United States, and any other state, territory or other jurisdiction  
30 of the United States.

31 (C) Regulations, ordinances and similar legislative enactments issued by or under the  
32 authority of the United States or any state, territory or possession of the United States.

33 (D) Rules of court of any court of this state or any court of record of the United States  
34 or of any state, territory or other jurisdiction of the United States.

35 (E) The law of an organization of nations and of foreign nations and public entities in  
36 foreign nations.

37 (F) An ordinance, comprehensive plan or enactment of any local government in this  
38 state, or a right derived therefrom.

39 (f) The commission must make a decision on the appeal or referral as provided in this  
40 division.

2 **Evaluation, Work Program or Decision That No Work is Necessary**

3 (1) The local government must conduct an evaluation of its plan and land use  
4 regulations based on the periodic review conditions in ORS 197.628 and OAR 660-025-0070.  
5 The local evaluation process must comply with the following requirements:

6 (a) The local government must follow its citizen involvement program and the  
7 requirements of OAR 660-025-0080 for conducting the evaluation and determining the scope  
8 of a work program.

9 (b) The local government must provide opportunities for participation by the  
10 department and Periodic Review Assistance Team. Issues related to coordination between  
11 local government comprehensive plan provisions and certified state agency coordination  
12 programs that are raised by the affected agency, or Periodic Review Assistance Team must be  
13 considered by the local government.

14 (c) The local government may provide opportunities for participation by the Economic  
15 Revitalization Team.

16 (d) At least 21 days before submitting the evaluation and work program, or decision  
17 that no work program is required, the local government must provide copies of the evaluation  
18 to members of the Periodic Review Assistance Team, if formed, and others who have, in  
19 writing, requested copies.

20 (e) After review of comments from interested persons, the local government must  
21 adopt an evaluation and work program or decision that no work program is required.

22 (2) The local government must submit the evaluation and work program, or decision  
23 that no work program is required, to the department according to the following requirements:

24 (a) The evaluation must include completed evaluation forms that are appropriate to the  
25 jurisdiction as determined by the director. Evaluation forms will be based on the jurisdiction's  
26 size, growth rate, geographic location, and other factors that relate to the planning situation at  
27 the time of periodic review. Issues related to coordination between local government  
28 comprehensive plan provisions and certified agency coordination programs may be included  
29 in evaluation forms.

30 (b) The local government must also submit to the department a list of persons who  
31 requested notice of the evaluation and work program or decision that no work program is  
32 required.

33 (c) The evaluation and work program, or decision that no work program is necessary,  
34 must be submitted within six months of the date the department sent the letter initiating the  
35 periodic review process, including any extension granted under section (3) of this rule.

36 (3) A local government may request an extension of time for submitting its evaluation  
37 and work program, or decision that no work program is required. The director may grant the  
38 request if the local government shows good cause for the extension. A local government may  
39 be permitted only one extension, which shall be for no more than 90 days.

40 (4) A decision by the director to deny a request for an extension may be appealed to  
41 the commission according to the procedures in OAR 660-025-0110(5), or the director may  
42 refer a request for extension under section (3) of this rule to the commission pursuant to OAR  
43 660-025-0085.

1 (5) If a local government fails to submit its evaluation and work program, or decision  
2 that no work program is necessary, by the deadline set by the director or the commission,  
3 including any extension, the director shall schedule a hearing before the commission  
4 according to OAR 660-025-0170(3).

14 the department and persons who participated at the local level orally or in writing during the  
15 local process. The local government notice must contain the following information:

16 (a) Where a person can review a copy of the local government's evaluation and work  
17 program or the evaluation and decision that no work program is necessary, and how a person  
18 may obtain a copy of the decision;

19 (b) The requirements listed in section (2) of this rule for filing a valid objection to the  
20 evaluation, work program or decision that no work program is necessary; and

21 (c) That objectors must give a copy of the objection to the local government.

22 (2) Persons who participated at the local level orally or in writing during the  
23 local process leading to the evaluation and work program or decision that no work  
24 program is necessary may object to the local government's decision. To be valid, an  
25 objection must:

26 (a) Be in writing and filed with the department no later than 21 days from the date the  
27 notice was mailed by the local government;

28 (b) Clearly identify an alleged deficiency in the evaluation, work program or decision  
29 that no work program is necessary;

30 (c) Suggest a specific work task that would resolve the deficiency;

31 (d) Demonstrate that the objecting party participated at the local level orally or in  
32 writing during the local process.

33 (3) Objections that do not meet the requirements of section (2) of this rule must not be  
34 considered by the director or commission.

35 (4) If no valid objections are received within the 21-day objection period, the director  
36 may approve the evaluation and work program or decision that no work program is required.  
37 Regardless of whether valid objections are received, the department may make its own  
38 determination of the sufficiency of the evaluation and work program or determination that no  
39 work program is necessary.

1 (5) If valid objections are received or the department conducts its own review, the  
2 department must issue a report. The report must focus on the issues raised in valid objections  
3 and concerns of the department. The report must identify specific work tasks to resolve valid  
4 objections or department concerns. A valid objection must either be sustained or rejected by  
5 the department or commission based on the statewide planning goals and related statutes and  
6 administrative rules.

4 (a) Issue an order approving the evaluation and work program or evaluation and  
5 determination that no work program is necessary;

6 (b) Issue an order rejecting the evaluation and work program or evaluation and  
7 determination that no work program is necessary and suggest modifications to the local  
8 government including a date for resubmittal; or

9 (c) Refer the evaluation and work program or evaluation and determination that no  
10 work program is necessary to the commission for review and action.

11 (2) The director may postpone action, pursuant to subsections (1)(a)-(c) of this rule to  
12 allow the department, the jurisdiction, objectors or other persons who participated orally or in  
13 writing at the local level to reach agreement on specific issues relating to the evaluation and  
14 work program or evaluation and determination that no work program is necessary.

15 (3) The director must provide written notice of the decision to the local government  
16 persons who filed objections, and persons who requested notice of the local government  
17 decision.

18 (4) The director's decision to approve an evaluation and work program or evaluation  
19 and determination that no work program is necessary is final and may not be appealed.

20 (5) The director's decision to deny an evaluation and work program or evaluation and  
21 determination that no work program is necessary may be appealed to the commission by the  
22 local government, or a person who filed an objection, or other person who participated orally  
23 or in writing at the local level.

24 (a) Appeal of the director's decision must be filed with the department within 21 days  
25 of the date notice of the director's action was mailed;

26 (b) A person appealing the director's decision must show that the person participated  
27 in the local government decision. The person appealing the director's decision must show a  
28 deficiency in the director's decision to deny the evaluation, work program or decision that no  
29 work program is necessary. The person appealing the director's decision also must suggest a  
30 specific modification to the evaluation, work program or decision that no work program is  
31 necessary to resolve the alleged deficiency.

32 (6) If no such appeal is filed, the director's decision shall be final.

33 (7) In response to an appeal, the director may prepare and submit a report to the  
34 commission. The provisions in OAR 660-025-0160(3) and (4) apply.

35 (8) The commission shall hear referrals and appeals of evaluations and work programs  
36 according to the procedures in OAR 660-025-0085.

37 (9) Following its hearing, the commission must issue an order that either:

5 **Submission of Completed Work Task**

6 (1) A local government must submit completed work tasks as provided in the  
7 approved work program to the department along with any form required by the department. A  
8 local government must submit to the department a list of persons who participated orally or in  
9 writing in the local decision process or who requested notice of the local government's final  
10 decision on a work task.

11 (2) After receipt of a work task, the department must determine whether the submittal  
12 is complete.

13 (3) To be complete a submittal must be a final decision containing all required  
14 elements identified for that task in the work program. A portion of a task or subtask may be  
15 accepted as a complete submittal if the work program identified that portion of the task or  
16 subtask as a separate item for adoption by the local government. Task submittals are subject  
17 to the following requirements:

18 (a) If the local record does not exceed 2,000 pages, a submittal must include the entire  
19 local record, including but not limited to adopted ordinances and orders, studies, inventories,  
20 findings, staff reports, correspondence, hearings minutes, written testimony and evidence, and  
21 any other items specifically listed in the work program;

22 (b) If the local record exceeds 2,000 pages, a submittal must include adopted  
23 ordinances and orders, findings, hearings minutes, written testimony and evidence, and a  
24 detailed index listing items not included in the submittal. Items in the local record not  
25 included in the submittal must be made available for public review during the period for  
26 submitting objections under OAR 660-025-0140. The director or Commission may require  
27 submission of any materials not included in the initial submittal;

28 (c) A task submittal of over 500 pages must include an index of all submitted  
29 materials.

30 (4) A submittal includes only the materials provided to the department pursuant to  
31 section (3) of this rule. Following submission of objections pursuant to OAR 660-025-0140,  
32 the local government may provide written correspondence that is not part of the local record  
33 which identifies material in the record relevant to filed objections. The correspondence may  
34 not include or refer to materials not in the record submitted or listed pursuant to section (3) of  
35 this rule. The local government must provide the correspondence to each objector at the same  
36 time it is sent to the department.

37 (5) If the department determines that a submittal is incomplete, it must notify the local  
38 government. If the department determines that the submittal should be reviewed despite  
39 missing information, the department may commence a formal review of the submittal.  
40 Missing material may be identified as a deficiency in the review process and be a basis to  
41 require further work by the local government.

42 (6) A local government may request an extension of time for submitting a work task.  
43 The director may grant the request if the local government shows good cause for the  
44 extension. A local government may be permitted only one extension, which shall be for no  
45 more than one year.

46 (7) If a local government fails to submit a complete work task by the deadline set by  
47 the director, or the commission, including any extension, the director must schedule a hearing

1 before the commission. The hearing must be conducted according to the procedures in OAR  
2 660-025-0090(5).

9 **Notice and Filing of Objections (Work Task Phase)**

10 (1) After the local government makes a final decision on a work task, the local  
11 government must notify the department and persons who participated at the local level orally  
12 or in writing during the local process or who requested notice in writing. The local  
13 government notice must contain the following information:

14 (a) Where a person can review a copy of the local government's final decision, and  
15 how a person may obtain a copy of the final decision;

16 (b) The requirements listed in section (2) of this rule for filing a valid objection to the  
17 work task; and

18 (c) That objectors must give a copy of the objection to the local government.

19 (2) Persons who participated at the local level orally or in writing during the local  
20 process leading to the final decision may object to the local government's work task  
21 submittal. To be valid, objections must:

22 (a) Be in writing and filed with the department's Salem office no later than 21 days  
23 from the date the notice was mailed by the local government;

24 (b) Clearly identify an alleged deficiency in the work task sufficiently to identify the  
25 relevant section of the final decision and the statute, goal, or administrative rule the task  
26 submittal is alleged to have violated;

27 (c) Suggest specific revisions that would resolve the objection; and

28 (d) Demonstrate that the objecting party participated at the local level orally or in  
29 writing during the local process.

30 (3) Objections that do not meet the requirements of section (2) of this rule will not be  
31 considered by the director or commission.

32 (4) If no valid objections are received within the 21-day objection period, the director  
33 may approve the work task. Regardless of whether valid objections are received, the director  
34 may make a determination of whether the work task final decision complies with the  
35 statewide planning goals and applicable statutes and administrative rules.

36 (5) When a subsequent work task conflicts with a work task that has been deemed  
37 acknowledged, or violates a statewide planning goal related to a previous work task, the  
38 director or commission shall not approve the submittal until all conflicts and goal compliance  
39 issues are resolved. In such case, the director or commission may enter an order deferring  
40 acknowledgment of all, or part, of the work task until completion of additional tasks.

41 (6) If valid objections are received or the department conducts its own review, the  
42 department must issue a report. The report shall focus on the issues raised in valid objections  
43 and issues of compliance identified by the department. The report shall identify specific work  
44 tasks to resolve valid objections or department concerns. A valid objection shall either be  
45 sustained or rejected by the department or commission based on the the statewide planning  
46 goals and applicable statutes and administrative rules.

- 8 (1) The director may:
- 9 (a) Issue an order approving the completed work task;
- 10 (b) Issue an order remanding the work task to the local government including a date  
11 for resubmittal;
- 12 (c) Refer the work task and recommendation to the commission for review and action;  
13 or
- 14 (d) The director may issue an order approving portions of the completed work task  
15 provided these portions are not affected by an order remanding or referring the completed  
16 work task.
- 17 (2) The director must send the order to the local government, persons who filed  
18 objections, and persons who, in writing, requested a copy of the action.
- 19 (3) The director's action in section (1) of this rule must be sent pursuant to section (2)  
20 of this rule within 120 days of the date the department received the task submittal from the  
21 local government unless the local government waives the 120-day deadline or the commission  
22 grants the director an extension. The local government may withdraw the submittal, in which  
23 case the 120-day deadline does not apply, provided the withdrawal will not result in the local  
24 government passing the deadline for work task submittal in the work program and any  
25 extension allowed in OAR 660-025-0130(7). If the director does not take action as prescribed  
26 in this section:
- 27 (a) If the department does not receive valid objections to the work task pursuant to  
28 OAR 660-025-0140(2), the work task shall be deemed approved and the department must  
29 provide a letter to the local government certifying that the work task is approved;
- 30 (b) If the department received one or more valid objections to the work task pursuant  
31 to OAR 660-025-0140(2), the director must refer the work task to the commission for review  
32 and action.
- 33 (4) Appeals of director decisions are subject to the requirements of this section.
- 34 (a) A person who filed a valid objection may appeal a director's approval or partial  
35 approval of a work task to the commission.
- 36 (b) The local government, a person who filed a valid objection, or other person who  
37 participated orally or in writing at the local level during the local process on the work task  
38 may appeal a director's remand or partial remand of a work task to the commission.
- 39 (c) Appeals of the director's decision must be filed with the department's Salem office  
40 within 21 days of the date the director's action was mailed;

- 42 (A) Show that the person participated at the local level orally or in writing during the  
43 local process;
- 44 (B) Clearly identify a deficiency in the work task sufficiently to identify the relevant  
45 section of the submitted task and the statute, goal, or administrative rule the local government  
46 is alleged to have violated; and

1 (C) Suggest a specific modification to the work task necessary to resolve the alleged  
2 deficiency.

3 (5) If no appeal to the commission is filed within the time provided by section (4) of  
4 this rule, the work tasks approved by the director are considered acknowledged. If the  
5 director's decision is to remand a work task and no appeal to the commission is filed within  
6 the time provided in section (4) of this rule, the decision is final.

13 **Commission Review of Referrals and Appeals (Work Task Phase)**

14 (1) The commission shall hear appeals and referrals of work tasks according to the  
15 procedures in OAR 660-025-0085.

16 (2) In response to a referral or appeal, the director may prepare and submit a report to  
17 the commission.

18 (3) The department must mail a copy of the report to the local government, all persons  
19 who submitted objections, and other persons who appealed the director's decision. The  
20 department must mail the report at least 21 days before the commission meeting to consider  
21 the referral or appeal.

22 (4) Persons who filed valid objections or an appeal, and the submitting local  
23 government, may file written exceptions to the director's report within ten (10) days of the  
24 date the report is mailed. The director may issue a response to exceptions and may make  
25 revisions to the director's report in response to exceptions. A response or revised report may  
26 be provided to the commission at or prior to its hearing on the referral or appeal. A revised  
27 director's report does not require mailing 21 days prior to the commission hearing.

28 (5) The commission shall hear appeals based on the record unless the commission  
29 requests new evidence or information at its discretion and allows the parties an opportunity to  
30 review and respond to the new evidence or information. The written record shall consist of  
31 the submittal, timely objections, the director's report, timely exceptions to the director's  
32 report, the director's response to exceptions and revised report if any, and the appeal if one  
33 was filed.

34 (6) Following its hearing, the commission must issue an order that does one or more of  
35 the following:

36 (a) Approves the work task or a portion of the task;

37 (b) Remands the work task or a portion of the task to the local government, including  
38 a date for resubmittal;

39 (c) Requires specific plan or land use regulation revisions to be completed by a  
40 specific date. Where specific revisions are required, the order shall specify that no further  
41 review is necessary. These changes are final when adopted by the local government. The  
42 failure to adopt the required revisions by the date established in the order shall constitute  
43 failure to complete a work task by the specified deadline requiring the director to initiate a  
44 hearing before the commission according to the procedures in OAR 660-025-0170(3);

45 (d) Amends the work program to add a task authorized under OAR 660-025-  
46 0170(1)(b); or

1 (e) Modifies the schedule for the approved work program in order to accommodate  
2 additional work on a remanded work task.

3 (7) If the commission approves the work task under subsection (6)(a) of this section  
4 and no appeal to the Court of Appeals is filed within the time provided in ORS 183.482, the  
5 work task shall be deemed acknowledged. If the commission decision on a work task is under  
6 subsection (6)(b) through (e) of this section and no appeal to the Court of Appeals is filed  
7 within the time provided in ORS 183.482, the decision is final.

18 (a) Issues of regional or statewide significance arising out of another local  
19 government's periodic review requires an enhanced level of coordination;

20 (b) Issues of goal compliance are raised as a result of completion of a work task  
21 resulting in a need to undertake further review or revisions;

41 commission addressing the circumstances causing the local government to miss the deadline  
42 and the appropriateness of any of the sanctions listed in ORS 197.636(2). The written  
43 statements must be filed in a manner and according to a schedule established by the director;

44 (c) The commission shall issue an order imposing one or more of the sanctions listed

42 **Stay Provisions**

43 (1) When a local government makes a final decision on a work task or portion of a  
44 work task that is required by, or carries out, an approved work program, or if the local  
45 government is a city with a population of 2,500 or more and either adopts a decision adding  
46 more than 50 acres to its urban growth boundary or designates or amends urban reserve areas,  
47 or a metropolitan service district that adopts a decision adding more than 100 acres to its

1 urban growth boundary or designates or amends urban reserve areas, interested persons may  
2 request a stay of the local government's final decision by filing a request for a stay with the  
3 commission. In taking an action on a request to stay a local government's final decision on a  
4 work task, the commission must use the standards and procedures contained in OAR chapter  
5 660, division 1.

6 (2) The director may grant a temporary stay of a final decision on a local government  
7 decision described in section (1) of this rule. A temporary stay must meet applicable stay  
8 requirements of the Administrative Procedures Act. A temporary stay issued by the director  
9 shall only be effective until the commission has acted on a stay request pursuant to section (1)  
10 of this rule.

24 **Transfer of Matters to the Land Use Board of Appeals**

25 (1) When the department receives an appeal of a director's decision pursuant to OAR  
26 660-025-0150(4), the director may elect to transfer a matter raised in the appeal to the Land

28 (2) Matters raised in an appeal may be transferred by the director to the board when:

29 (a) The matter is an urban growth boundary expansion approved by the local  
30 government based on a quasi-judicial land use application and does not require an  
31 interpretation of first impression of statewide planning Goal 14, ORS 197.296 or ORS  
32 197.298; or

33 (b) (A) The matter alleges the work task submittal violates a provision of law not  
34 directly related to compliance with a statewide planning goal;

35 (B) The appeal clearly identifies the provision of the task submittal that is alleged to  
36 violate a provision of law and clearly identifies the provision of law that is alleged to have  
37 been violated; and

38 (C) The matter is sufficiently well-defined that it can be separated from other  
39 allegations in the appeal.

40 (3) When the director elects to transfer a matter to the board, notice of the decision  
41 must be sent to the local jurisdiction, the appellant, objectors, and the board within 60 days of  
42 the date the appeal was filed with the department. The notice shall include identification of  
43 the matter to be transferred and explanation of the procedures and deadline for appeal of the
