RULE SUMMARY

The proposed new rules and rule amendments will establish an optional alternative, streamlined process for local governments outside of Metro to evaluate and amend urban growth boundaries (UGBs) and will implement related legislation enacted by the 2013 Oregon Legislature (HB 2254, codified as ORS 197A) which requires LCDC to adopt administrative rules establishing the new alternative UGB process by January 1, 2016. In addition, the new and amended rules will provide interpretive guidance to provisions at ORS 197A.320 that apply to both the existing UGB process described in OAR chapter 660, division 24 and the proposed new alternative process. The agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing the negative economic impact of the rule on business.

LCDC will hold two public hearings on the proposed rules at the times and locations listed above. LCDC may adopt the rules after the second hearing. The public is encouraged to provide comments prior to the first hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
