BAGG, Referee.

This matter is before the Board on the Motion of Respondent Yamhill County. The Yamhill County Board of Commissioners, in Board Order No. 81-614, acted to rescind Board Order No. 81-509 which was the subject of the Notice of Intent to Appeal. Petitioner does not object to dismissal of the case.

Now, therefore, this case is dismissed because Board Order 81-509, upon which the appeal was based, has been rescinded.
