5. Licensee acknowledges they have read, understand, and agree to the terms of this Consent Order. Licensee enters into this Consent Order without any force or duress. Licensee acknowledges that no promises or representations not stated herein have been made to induce signature on this Consent Order.
6. Licensee understands that they have the right to a contested case hearing under the Administrative Procedures Act (ORS Chapter 183), and Licensee hereby fully and finally waives any and all right to a hearing and any rights to appeal or otherwise challenge this Consent Order.
