

Oregon Estate Administration, Probate Estates Information

ORS 113.085 and OAR 141-35-0020 require the Department of State Lands to be notified immediately upon the death of a person when it appears there are no known heirs or a valid will. This notification is generally provided by the County Medical Examiner, but it also comes from landlords, nursing home administrators, hospitals, funeral homes, neighbors, friends, and attorneys.

Department staff is available to answer any questions, or to speak at community and/or professional seminars. For more information, please contact the Estate Specialist at 503-986-5287.
