Subject: Tuition Equity vote in OR Senate

Dear President Courtney and Senators Burdick, Rosenbaum, and Ferrioli,

I wanted to share the note I sent to a wide network of Latino leadership, community representatives, and allies throughout the state of Oregon, and have also posted on Facebook, to watch the Senate proceedings this morning.

We are very grateful for this technology that allows civic engagement from the start of proposed legislation, hearings, work sessions, to final votes in the chambers. Know that people will be watching from Nyssa to Astoria, Pendleton to Ashland, Prineville to Portland, and other points in between as well as in other states and in the nation's capitol.

We so appreciate all of the work and activity that has contributed to TUITION EQUITY and look forward to a favorable affirmation for this historic legislation.

Andrea Cano
