

2015 Oregon Agripedia order form

Designed as a reference tool for Oregon agricultural producers and organizations, the Agripedia provides Oregon agricultural statistics, regulations, and resources.

The Oregon Agripedia is produced every other year. This edition contains updated information as of November 2015.

The first five (5) copies are complimentary. Please provide \$5 for each additional copy.

You can access a PDF version online at: <http://go.usa.gov/3JhUT>
