

## Importing Plant Material into Oregon

Plant & Part	Area Under Quarantine	Regulation	Requirements	Additional Information
All tree and shrub nursery stock	All states outside Oregon	Notification	Notification to ODA*	Rule 603-054-0027. Notify the ODA Plant Division of the shipment no more than two days after the shipment. The ODA may require the material to be held for inspection and release. For further information contact the ODA Nursery Program at 503/ 986-4644.
All plants; in growing media, sod, any other potential articles	AZ, CA, HI, NM, TX, UT, WA; also snail culture/shipping prohibited within OR	Brown garden snail & other exotic phytophagous snails	Certificate; Notification to ODA*	Plant material certificate free of brown garden snail. Articles free of growing media excepted from certification.
All plants; plant parts including logs, wood chips, and pulpwood	CT, DE, DC, IN, KY, ME, MD, MA, MI, MN, NC, NH, NJ, OH, PA, RI, TN, VT, VA, WI, WV	Gypsy moth	Certificate; Notification to ODA*	Federal Quarantine; plant material certified free from gypsy moth.
All plants; in growing media, sod, soil, hay, straw	AL, AR, CA, FL, GA, LA, MS, NC, NM, OK, PR, SC, TN, TX	Imported fire ant	Certificate; Notification to ODA*	Federal Quarantine; plant material certified free from imported fire ant.
All plants; in growing media, sod, bulbs, rhizomes, crowns; all plant parts, soil, humus, compost, manure	AL, AR, CO, CT, DE, GA, IL, IN, IA, KS, KY, ME, MD, MA, MI, MN, MS, MO, NE, NH, NJ, NM, NY, NC, OH, OK, PA, RI, SC, TN, TX, VT, VA, WV, WI, DC; Canada: ON, QB	Japanese beetle	Certificate; Notification to ODA*	Federal Quarantine; plants in soil or growing media must be certified as fumigated or otherwise treated; washed bareroot plants, bulbs, etc. require certification.
Ash ( <i>Fraxinus</i> spp.)	Entire quarantined states of DC, IL, IN, IA, MO, OH, PA, VA, WV. Listed quarantined areas in CO, CN, GA, KS, KY, MA, MD, MI, MN, NH, NC, NY, TN, WI.	Emerald ash borer	Certificate	Federal Quarantine. Updated quarantined areas can be found here: <a href="http://www.aphis.usda.gov/plant_health/plant_pest_info/emerald_ash_b/download/Areas_Quarantined.pdf">http://www.aphis.usda.gov/plant_health/plant_pest_info/emerald_ash_b/download/Areas_Quarantined.pdf</a>
Ash ( <i>Fraxinus</i> spp.), birch ( <i>Betula</i> spp.), elm ( <i>Ulmus</i> spp.), hackberry ( <i>Celtis</i> spp.), horse chestnut ( <i>Aesculus</i> spp.), maple ( <i>Acer</i> spp.), mimosa ( <i>Albizia</i> spp.), mountain ash ( <i>Sorbus</i> spp.), Populus, sycamore ( <i>Platanus</i> spp.), willow ( <i>Salix</i> spp.)	Parts of IL, NJ and NY; ask ODA for details	Asian longhorned beetle	Prohibited	Federal Quarantine
Blueberry plants ( <i>Vaccinium</i> spp..)	All of United States and all countries	Blueberry scorch virus	Certificate; Notification to ODA*	Blueberry plants must meet one of the following conditions to be certified: originate in a pest free area, laboratory tested and found free of blueberry scorch virus, or grown in a insect proof greenhouse originating from mother plants that were tested free of blueberry scorch.

## Importing Plant Material into Oregon

Plant & Part	Area Under Quarantine	Regulation	Requirements	Additional Information
Blueberry plants ( <i>Vaccinium</i> spp.) bareroot exempt, blueberry fruit	All of United States east of and including ND, SD, NE, KS, OK, TX	Blueberry maggot	Prohibited	Plants must be certified washed bareroot; Plants exempt from regulation when free from soil and growing media; clumps of soil or growing media larger than 1/2 inch diameter will be cause for rejection.
Chestnut ( <i>Castanea</i> spp) and chinquapin ( <i>Castanea</i> spp.), all parts, nuts in shell	Eastern and mid-western US (States east of and including CO, MT, NM, WY)	Chestnut blight, large and small chestnut weevils, oriental chestnut gall wasp	Prohibited	States west of regulated area: material admitted with certification stating origin. A copy of the certificate needs to be sent to ODA.*
Elm ( <i>Ulmus</i> spp.), Zelkova, planertree ( <i>Planera</i> spp.): all parts, including wood with bark, except seed	Benton, Clackamas, Jackson, Lane , Linn, Malheur, Marion, Multnomah, Polk, Union, Washington and Yamhill. States exempt:	Dutch elm disease, elm yellows phytoplasm	Prohibited	In quarantine area;; material prohibited. States exempt (AK, AZ, FL, HI, LA, NM, UT,); material must be certified.
European corn borer host plants: corn, beets, celery, endive, swiss chard, rhubarb, aster, Chrysanthemum, calendula, cosmos, hollyhock, marigold, zinnia, Japanese hops, dahlias (except tubers without stems) and gladiolus (except corms without stems), and pepper fruits.	All of United States except: AK, AZ, CA, HI, ID, NV, NM, UT, WA	European corn borer	Certificate	
Filbert/ hazelnut ( <i>Corylus</i> spp.) plants	All of the United States	Eastern filbert blight	Phytosanitary certificate or post- entry quarantine	Phytosanitary certificate if plants are from a pest free area. Otherwise, only 25 plants per cultivar can be imported, and these will be held segregated for 2 growing seasons for inspection.
Fruit from apple ( <i>Malus</i> ), hawthorn ( <i>Crataegus</i> ), pear ( <i>Pyrus</i> )	AL, AR, CA, CT, DE, FL, GA, ID, IL, IN, IA, KS, KY, LA, ME, MD, MA, MI, MN, MS, NE, NH, NJ, NY, NC, ND, OK, OH, PA, RI, SC, SD, TN, TX, UT, VT, VA, WA, WV, WI	Apple maggot	Certificate	Federal Quarantine
Grape ( <i>Vitis</i> spp.) all parts	All of United States	Grape quarantine: grape pests and diseases	Certificate; Notification to	Plants certified free of pests and diseases. No field grown stock.
Grape ( <i>Vitis</i> spp.) plants	AL, AR, CA, FL, GA, LA, MS, MO, NC, SC, TX, OR- any infested site; Mexico	Glassy-winged sharp-shooter (a leafhopper); Pierce's disease	Certificate; Notification to ODA*	Plants grown under compliance agreement or treated for sharpshooter. Plants tested for Pierce's disease.

## Importing Plant Material into Oregon

Plant & Part	Area Under Quarantine	Regulation	Requirements	Additional Information
--------------	-----------------------	------------	--------------	------------------------

updated 2/2016

\*Shipper must notify Oregon Department of Agriculture (ODA) of shipment; Oregon receiver must hold shipment for Department inspection. For additional information contact: Oregon Department of Agriculture, Plant Division, 503/986-4644, fax 503/986-4786. Mail: 635 Capitol Street NE, Salem, Oregon, 97301-2532.

\*\*Official list of quarantines for individual pests and pathogens can be found in the Oregon Administrative Rules (OAR) for the Pest and Disease Control, Department of Agriculture: [http://arcweb.sos.state.or.us/pages/rules/oars\\_600/oar\\_603/603\\_052.html](http://arcweb.sos.state.or.us/pages/rules/oars_600/oar_603/603_052.html).

Oregon Labeling & Certification Law states that all nursery stock and other plant material shipped into or within Oregon must be accompanied by a nursery stock certificate and/ or the required permits or tags of the state of origin, and be free from injurious pests, diseases, and noxious weeds. Each unit (container, bundle, cargo box, etc.) must show that it contains nursery stock, seedlings, other plant material, or seeds, and must be conspicuously marked with the name and address of the shipper and consignee, and where the product was grown.

National Plant Board link to federal and state quarantine summaries for Puerto Rico and each of the 50 states: <http://www.nationalplantboard.org/laws/index.html>

United States Department of Agriculture, Animal and Plant Health Inspection Service (USDA, APHIS) federal quarantines: [http://www.aphis.usda.gov/plant\\_health/plant\\_pest\\_info/](http://www.aphis.usda.gov/plant_health/plant_pest_info/)
