Date of Presentation:	September 2015
Contact Information:	Brandon R. Kaetzel, PhD – Principal Economist Forest Resources Planning Program 503-945-7413 brandon.kaetzel@oregon.gov

**SUMMARY**

The purpose of this consent agenda item is to provide an annual economic report concerning Oregon’s forest sector to the Board of Forestry as they enter their planning process.

**CONTEXT**

In advance of the Board’s upcoming planning process, this report is geared toward providing the Board with a concise picture of Oregon’s forest sector/economy. The report is built on data that is collected internally or through inter-agency cooperation. Also, the report provides some context in how Resources Planning is moving forward to build on data collection and/or find new sources for data that has been collected in the past or has been asked for by the Board in the previous biennium.
