

How to Join an ATT Connect Web Meeting and Install the Application - Page 1

1. Click on a meeting link that was probably sent to you via email or is on your calendar.

<https://connect9.uc.att.com/service32/meet/?ExEventID=84345413>

2. Internet Explorer will open to the AT&T Connect "Your Details" page. Windows-based application will give you the VOIP (computer headset) capability. Fill it out similarly to what is shown below, then click **[Join]**.

AT&T Connect

Your Details

! You are joining the conference with the Windows-based application. [Click here to change your selection](#)

I am a participant I am the host
