Bridge Construction Inspection

2017

TABLE OF CONTENTS

Section	Topic	Page
Section 1	Introduction	
	Contacts	1
	Inspector's Role	2
	Inspector's Authority	3
	Bridge Types	9
	Bridge Terminology	20
Section 2	Pre-Construction Activities	
	Review Plans	1
	Review Contract Documents	3
	Order of Precedence	4
	Manual of Field Test Procedures	5
	Non Field Test Materials Acceptance Guide	9
	Record Keeping	12
	Staking	14
	Reference Points	19
	Common Staking Errors	23
Section 3	Falsework & Formwork	
	Falsework Construction	1
	Formwork Construction	15
	Access For Inspection	30
	Check Form Placement	35
	Curve Data	41
	Chord Distance Check	43
	Middle Ordinate Check	45
Form & Falsework Removal	47	
Section 4	Quality Concrete	
	Basics of Concrete	1
	Concrete Strength	12
	Vibrating Concrete	16
	Placement Methods	23
	Weather & Temperature Limits	26
	Sampling & Testing	38
	Joints	43
Curing Concrete	53	

Section 5	Reinforced Concrete	
	Basics of Reinforced Concrete	1
	Structural Engineering Concepts	4
	Reinforcement Inspection	11
	Bar Supports	28
	Bar Ties	31
	Clearances	33
	Splices	40
Section 6	Bridge Foundations	
	Common Foundation Types	2
	Spread Footings	3
	Footing Concrete Volume	5
	Structure Excavation	13
	Foundation Reports	17
	Cofferdams	18
Section 7	Driven Piles	
	Pile Driving Equipment	4
	Hammer Approval Letter	21
	Construction Documents	22
	Pile Record Book	23
Section 8	Drilled Shafts	
	Drilled Shaft Equipment	1
	Construction Process	9
	Slurry Construction	11
	Temporary Casing	13
	Construction Documents	20
	Inspection	21
	Concrete Volumes	43
	Post Construction Testing	55
Section 9	Substructure	
	Periodic Checks	1
	Construction Tolerances	2
	Beam Seats	7
	MSE Walls	19
Section 10	Prefabricated Girders	
	Common Beam Types	1
	Beam Camber & Deflection	6
	Bearing Points	7
	Slabs & Boxes	15
	Girder Construction	26
	Temporary Bracing Details	32
	Diaphragms	39
	Steel Plate Girder Construction	43

Section 11	Bolting	
	High Strength Structural Bolting	1
	Field Tests	6
	Rotational Capacity Test for Long Bolts	7
	Rotational Capacity Test for Short Bolts	21
	Verification Tests	23
	Inspection Torque	27
	Field Inspection	29
	Other Types of Bolt Situations	34
Section 12	Welding	
	Field Welding	1
	Welding Processes	5
	Stud Welding	8
	Welding Positions	17
Section 13	Post-tensioned Box Girders	
	PT Box Girder Construction	1
	Preparations for Tensioning	25
	Tensioning Operations	30
	After Post-Tensioning	34
	Grouting PT Ducts	37
Section 14	Deck Construction	
	Pour Sequence	1
	Construction Material Storage	7
	Cracking of Bridge Decks	9
	Deck Grades	15
	Deck Pre-placement Conference	17
	Pouring Deck	23
	Joints	40
	MC Overlay Preparation	88
	MC Overlay	93
	Spray Waterproof Membrane	103
	PPC Overlay	109
	MPCO Overlay	114
	Concrete Barrier	117
Section 15	Miscellaneous	
	Concrete Repairs	1
	Crack Injection	8
	Bridge Rail	12
	Slip Form Bridge Rail	17
	Deck Pre-placement Conference	17
	Guardrail	21
	Slope Paving	23

Appendix A **Glossary**

Appendix B **Checklists**

Appendix C **Forms**
