**PROJECT DESCRIPTION:** Describe your proposed project, including details on structures to be built, location and types of utilities and infrastructure, drainfields, accessory buildings, ground leveling, and filling, or any other relevant activity or mitigation measures proposed. Use additional sheets as necessary: SEE ATTACHED

**Application Checklist: the following is required to complete your application:**

- Application form completed and signed
- Site Plan
- Key viewing areas checklist (attached)
- Names and addresses of adjacent property owners within 200 feet of parcel
- Any additional information as required:

**KEY VIEWING AREAS:** Key viewing areas are important public viewpoints and areas that afford opportunities to view the Gorge scenery. Key viewing areas are listed below. Please check those sites which can be seen from your property.

- |  |  |
|--|--|
| <input type="checkbox"/> Historic Columbia River Highway             | <input type="checkbox"/> Washington State Route 14             |
| <input type="checkbox"/> Sandy River                                 | <input type="checkbox"/> Washington State Route 142            |
| <input type="checkbox"/> Portland Women's Forum State Park           | <input type="checkbox"/> Washington State Route 141            |
| <input type="checkbox"/> Crown Point                                 | <input type="checkbox"/> Cook-Underwood Road                   |
| <input type="checkbox"/> Rooster Rock State Park                     | <input type="checkbox"/> Dog Mountain Trail                    |
| <input type="checkbox"/> Multnomah Falls                             | <input type="checkbox"/> Beacon Rock                           |
| <input type="checkbox"/> Larch Mountain                              | <input type="checkbox"/> Cape Horn                             |
| <input type="checkbox"/> Highway I-84, including rest stops          | <input type="checkbox"/> Columbia River                        |
| <input type="checkbox"/> Bonneville Dam Visitor Centers              | <input type="checkbox"/> Pacific Crest Trail Oregon Highway 35 |
| <input type="checkbox"/> Sherrard Point on Larch Mountain            |  |
| <input type="checkbox"/> Rowena Plateau/Nature Conservancy Viewpoint |  |
| <input type="checkbox"/> Larch Mountain Road                         |  |
| <input type="checkbox"/> Wyeth Bench Road                            |  |
| <input type="checkbox"/> County Road 1230 (Old WA St. Route 14)      |  |

**PROJECT SITE PLAN:** A plan drawn in black ink at a scale of about 1 inch equal to 200 feet (1:2400) or at a scale providing greater detail must be included with the application.

If the parcel is very large, you may show the project on the portion of the parcel affected by the proposed use. Be sure, however, to show enough of the parcel or some adjacent features, such as roads, so that the reviewers can orient themselves on your map. A small vicinity map showing the subject parcel and surrounding parcels may help.

**At a minimum, you must show the following features:**

---

- Applicant(s) name
- Location and width of existing and proposed roads, driveways, and trails
- Scale and north arrow
- Location and size of existing and proposed structures
- Boundaries of parcel with dimensions and size
- Location of existing and proposed services including wells or other water supplies, structures, power and telephone poles and lines and outdoor lighting.
- Significant terrain features or landforms
- Location and depth of all proposed grading and ditching
- Groupings and species of trees or other vegetation on the parcel
- Location and species of vegetation that would be removed or planted
- Water courses and bodies of water
