Oregon Walks, formerly the Willamette Pedestrian Coalition, has been advocating since 1991 to create walkable communities and to make the conditions for walking safe, convenient, and attractive for everyone.

Oregon Walks volunteers on the Plans and Projects Committee have reviewed the projects on the 150% recommendations for potential "Enhance" STIP funding. We are pleased to see many applications for Streetscape and Bicycle/Pedestrian Connectivity projects, and we strongly support funding as many of those as possible.

We especially support funding of projects that provide access to transit and to other destinations that have the potential to attract many pedestrians, including those that improve pedestrian crossings on busy arterials, and those that serve vulnerable populations including the young, the old, the poor, and minority populations. We also support projects that fill gaps in the sidewalk system and those that overcome barriers often found near freeway interchanges. Our priorities are based on the research documented in the Oregon Walks publication Getting Around on Foot.

Based on those considerations, Oregon Walks urges funding of the following projects:

- E1 – Beaverton Crescent Connection (Cedar Hills to Denney Road)
- E13 – King City Sidewalk Infill
- E18 – Molalla OR Hwy 211 Bike and Ped. Safety Enhancements
- E21 – Portland Cully Blvd
- E22 – Portland Downtown I-405 Pedestrian Safety and Operational Improvements
- E29 – Portland SE Foster Rd. Safety and Sidewalk Enhancement Project
- E40 – Sandy US 26 sidewalks (Ten Eyck Rd/Wolf Rd to Vista Loop)
- E 53 – Clackamas County Otty St – 82nd Ave Realignment
- E84 – Barbur Blvd/99W Corridor Safety and Access to Transit
- E86 – Hwy 8 Corridor Safety and Access to Transit

We appreciate this opportunity to comment,

Oregon Walks
Plans and Projects Committee

ODOT,

I am an Oak Hills (Beaverton) home owner and FULLY support the trails on the west side. I'm writing to ask that you fully fund all of the Regional/State Trails Projects and Streetscape/Bike/Ped Connectivity Projects on this list:
