Greeting Mr. Flowers and good committee folk,

I am writing to urge you to fund the project at Kellogg creek in Milwaukie. ODOT will be intrigal in the removal of Kellogg dam and the replacement of the bridges that are currently supported by it. This critical project, years in the coming, will finally allow fish passage on 27 miles of creeks. What finer way to crown the project than with human passage beneath the pedestrian barrier that is Hwy 99E.

Thank you for your consideration,

Mark Gamba  
Milwaukie City Council
