

# *Traffic Advisory*

## **UTILITY WORK NARROWS ON-RAMP**

A contractor working for the city of Portland Bureau of Environmental Services will be working on a portion of Kelly Way just west of the Ross Island Bridge (U.S. 26 eastbound) Saturday night, Nov. 5. The utility work will require the contractor to narrow Kelly Way near the eastbound on-ramp to the Ross Island Bridge from 8 p.m. Saturday night until 10 a.m. Sunday, Nov. 6. The on-ramp will remain open at all times; however, motorists should expect minor delays and exercise caution while driving through the construction zone.

**This advisory is sent on behalf of the city of Portland Bureau of Environmental Services.**
