

Traffic Advisory

SATURDAY NIGHT LANE CLOSURES ON I-5

ODOT maintenance crews will close the center and right lanes of northbound Interstate 5, Saturday night, Oct. 15 between the Nyberg Road and Carman Drive interchanges for pavement repairs. Both lanes will close at 9 p.m. Saturday night and will reopen by 7 a.m. Sunday, Oct. 16.

As part of this work, the Durham/Lower Boones Ferry Road on-ramp to northbound I-5 will be closed during the overnight work hours. Motorists bound for I-5 north can take I-5 south to the Nyberg Road interchange, cross over the freeway and take the on-ramp to northbound I-5. As an alternate route, drivers can go west on Lower Boones Ferry Road, which becomes Bridgeport Road, turn right (north) onto Upper Boones Ferry Road and follow Upper Boones Ferry Road to the I-5 north on-ramp at the Carman Drive interchange.

This work will not affect southbound I-5 traffic.

Motorists are asked to use caution while driving through the construction zone and to expect delays. If possible, drivers should consider taking I-205 as an alternate route.
