TRAFFIC ADVISORY

Striping closes I-84 in Portland tonight

Nighttime closures between I-205 and NE 102nd start at 9:30 p.m.

The contractor for the Oregon Department of Transportation working on the Interstate 84 Preservation Project continues to install permanent striping along I-84 this week. **This work requires overnight closures of all lanes of I-84 between Interstate 205 and NE 102nd Avenue and I-84 on- and off-ramp closures.** The work will take place as follows:

- Wednesday, July 21, the contractor will stripe I-84 westbound. **The striping requires an overnight closure of I-84 westbound between I-205 and NE 102nd Avenue from 9:30 p.m. Wednesday, July 21, to 5 a.m. Thursday, July 22.** I-84 eastbound will remain open.
- **Detour:** Westbound traffic will be detoured off I-84 onto I-205 southbound (exit 9) and will rejoin I-84 (exit 21B), east of 82nd Avenue.
- Thursday, July 22, from 9:30 p.m. to 5 a.m. Friday, July 23, the contractor will close the NE 122nd Avenue on- and off-ramps to I-84 eastbound
- Friday, July 23, from 9:30 p.m. to 5 a.m. Saturday, July 24, **the contractor will close the I-205 southbound on-ramp to I-84 eastbound.**

—more—

- **Detour:** Motorists traveling on I-205 southbound to I-84 eastbound will take the NE Glisan Street off-ramp (exit 21A), head east on NE Glisan Street to the I-205 northbound on-ramp, and take I-205 northbound to the I-84 eastbound off-ramp (exit 22).

The contractor has finished paving an eight-mile stretch of I-84. Work remaining on this project includes installing permanent striping, signs and finishing work on the center median barriers. This work will require nighttime lane and possible full directional closures of I-84.

Because the work is weather-dependent, the closure schedule could vary slightly. Future closures will be preceded by an announcement including detour information.
