

## **Traffic Advisory**

### **INTERSTATE 84 STRIPING— SHORT-TERM LANE AND RAMP CLOSURES**

A contractor for the Oregon Department of Transportation will be restriping Interstate 84 and the ramps **between 181<sup>st</sup> Avenue and Marine Drive**. **Work will take place overnight between 8:00 p.m. and 5:30 a.m. for approximately two weeks beginning Monday night, June 20.**

During the nighttime work, there will be lane and short-term ramp closures in the project area. Because traffic volumes on I-84 are at or near capacity during the day, nighttime work is the only way to avoid major traffic disruptions.

Striping the roadway is a moving operation and will not stay in one place for an extended period of time.
