Public invited to learn about road projects on Feb. 8

ODOT and the City of Oregon City share plans for current and future road projects

The public is invited to learn about four projects that will affect travelers in Oregon City and the surrounding area during and after construction. Staff from ODOT and the City of Oregon City will share project plans and answer questions about the following projects:

- [Oregon City/West Linn Arch Bridge](#) – staff will discuss the project schedule
- [Oregon Highway 99E Improvements](#) – paving and striping project coming this spring will remove travel lanes in two sections of OR 99E south of Oregon City to accommodate a left-turn lane.
- [Oregon Highway 213 Jughandle](#) – Four day (104-hour) closure of OR 213 is scheduled from 8 p.m., Thursday, March 22 to 4 a.m., Tuesday, March 27 to install a new bridge. Staff will share the detour route and expected lengthy delays.
- [Main Street Improvements](#) - staff will provide an update on the progress of the Main Street improvements in downtown Oregon City.

Where: Pioneer Center, 615 Fifth Street, Oregon City
