

I-84 WESTBOUND LOCAL TRAFFIC DETOUR between Ontario at EXIT 374 and Baker City at Exit 302
LOCAL RESIDENTS IN PASSENGER VEHICLES ONLY detour around closed section of I-84 via OR 201
CLOSED TO COMMERCIAL TRUCKS - Other traffic restrictions may apply

The Westbound freeway is closed west of Baker City due to a crash, extreme weather, or other conditions.

COMMERCIAL TRUCKS are restricted from the Westbound freeway due to **NO SAFE TRUCK PARKING** in communities between Ontario and the freeway closure point. Commercial trucks will need to find safe parking areas in Ontario, Boise, etc.

PASSENGER VEHICLES may be allowed on some closed sections of freeway when conditions warrant, however, the Westbound freeway is likely closed to **ALL TRAFFIC** somewhere west of Baker City. Check TripCheck.com for freeway closure locations and road conditions. During inclement weather be prepared for snow, ice, slick roads, limited visibility and other hazardous conditions. Because the freeway may be closed for an extended period, motorists are encouraged to verify lodging accommodations before traveling west of Ontario.

Allowing passenger vehicles on closed freeway sections (when conditions warrant) is primarily to accommodate local residents trying to get home to communities between Ontario and the full closure site.
