

Joni Bramlett, Regional Transit Coordinator: Region 4

Joni Bramlett joined PTD in 2003. She worked for Bonneville Power Administration (a federal agency) for 12 years. Her federal career included five years in the electric energy building conservation program and more than two years as editor of the monthly newsletter. Joni re-entered State government in 1999, working for the State Board of Tax Practitioners as the exam and education coordinator. She transitioned to the Department of Revenue in 2002, then joined PTD as the Capital Program Manager, attending the 2003 Oregon Transit Association conference her first day. She has expertise in management of multiple program projects including the 5310 program, STP transfers to FTA, 5309/State of Good Repair, Mass Transit Vehicle Replacement Program, facilities, capital transit projects, transit system safety and security, vehicle procurement, maintenance/asset management for all capital, public transit programs and compliance areas, and STIP issues. Joni is excited to return to central Oregon.
