

Oregon Office of Emergency Management Staff POC Update

January 14, 2015

To all County Search and Rescue (SAR) Coordinators and other interested parties,

Statewide SAR coordinators, Civil Air Patrol and several other agencies involved with Search and Rescue in Oregon have had a single point of contact for the past 21 years with Georges Kleinbaum. He was responsible for all aspects involving State SAR reporting, implementation of policies and regulations. As of September 30, 2015 Georges has retired from his position at the Oregon Office of Emergency Management.

As of January 4, 2016 we have successfully hired his replacement, Scott Lucas. Scott is now the State of Oregon Search and Rescue Coordinator. He is well versed and uniquely qualified with both military and civilian SAR experience, air and ground.

Please be sure to update your contact and distribution lists to replace Georges with Scott's information below:
