

APPLICANT BRIEFING FLYER
FEMA-4169-DR-OREGON
Declared: April 04, 2014
Severe Winter Storm

WHAT:

Federal funding is available to state and eligible local governments and certain private nonprofit organizations on a cost-sharing basis for emergency work and the repair or replacement of public facilities damaged by the severe winter storm that occurred in Oregon between February 06, 2014 and February 10, 2014.

The Federal share of assistance is not less than 75% of the eligible cost for emergency measures and permanent restoration.

This Applicant Briefing is the first step towards receiving assistance. At this briefing Oregon Office of Emergency Management (OEM) staff will give an overview of the Public Assistance Program. The State Hazard Mitigation Officer, will also provide an overview of the Hazard Mitigation Grant Program (HMGP) and discuss HMGP priorities for this disaster. An HMGP pre-application will be made available during the briefing. Technical assistance on project feasibility, environmental considerations and benefit-cost analysis (key components of an HMGP application) will be provided as well.

At this briefing the Request for Public Assistance (RPA) form will also be distributed and collected.

The RPA form is the official application for federal assistance; this request must be submitted to OEM within 30 days of the declaration date of April 04, 2014 (May 02, 2014).

WHO:

Those individuals responsible for restoring and operating infrastructure systems that provides local services to the public (government agencies, special districts, certain private nonprofit organizations) in the counties of Benton, Lane, Lincoln and Linn Counties. The agent, financial officer, or an appointee who will actually be using the information should attend this briefing.

WHEN AND WHERE:

Feel free to participate in the following briefing. Participation is not mandatory; however each potential applicant must submit the RPA form within 30 days to be considered for FEMA Public Assistance.
