Marine Board to Convene Abandoned/Derelict Vessel Task Force

The Oregon State Marine Board is holding a kick off meeting in Newport on February 9, from 9 am to 12 pm at the Hatfield Marine Science Center, 2030 SE Marine Science Drive. This meeting is open to the public, however; public comments will not be accepted.

This is an information-gathering meeting to identify potential members for an Abandoned and Derelict Fishing Vessel Prevention Task Force, to discuss ideas to prevent abandoned and derelict fishing vessels along the coast and to develop a process for measurable outcomes through coordinated efforts.

Future meetings will be held in areas that are impacted by abandoned and derelict vessels, and in locations close to participating members.
