

Small Grant Program

Billing Information

For Small Grant Applications submitted after July 1, 2014

The following information is provided to facilitate preparation of your payment requests. Use of the correct procedures and forms should expedite the process and speed up processing of grant payments.

NEW

- ❖ OWEB has revised its Budget Categories and corresponding definitions. Refer to the “January 2014 Budget Categories Definitions and Policy” document for budget category definitions and allowable and non-allowable costs.
- ❖ Copies of receipts, invoices or supporting documentation, for amounts \$250 or more, including grant administration (excluding indirect costs), will be required by OWEB. However; copies of ALL receipts, invoices or supporting documentation, charged to an OWEB grant, need to be retained by the Grantee and provided to OWEB upon request. ALL expenses charged to an OWEB grant must be listed on the Grantee’s Expense Tracking Spreadsheet.
- ❖ In addition, once a grant is closed OWEB may request the grantee submit receipts that are under \$250 (excluding indirect costs charged to grant administration), and timesheets and payroll reports (to support salaries/wages/benefits and grant administration) for review. The intent of this review is to ensure the grantee billed OWEB for actual costs. Grantees will submit the requested information to OWEB, which will be reviewed in the same manner OWEB reviews payment requests and receipts \$250 and over. Grantees using the Indirect Cost billing method will have to submit receipts and documentation for all budget categories except Grant Administration.
- ❖ **Forms** are available on the OWEB website
http://www.oregon.gov/OWEB/GRANTS/pages/smgrant_forms.aspx
- ❖ **OWEB Online Grant Management System (OGMS)**
OGMS should be used to review grant status, payments, report due dates, amendments, etc.
<http://apps.wrd.state.or.us/apps/oweb/fiscal/default.aspx>
- ❖ Small Grants may have only two payment requests.
- ❖ **Some Invoices Not Required**
Small Grant Grant Administration and Year-Two Status Reporting expenses can be billed without invoices when listed on the signed Request for Release of Funds form dated 04/2014.
However, expenditures billed in this manner must be listed on your spreadsheet and are still subject to audit. Actual payroll records must be kept on record by the Grantee or Fiscal Agent.
- ❖ **Grant administration may not exceed 15% of the total Board funds expended for the grant.**
- ❖ **OWEB cannot reimburse project expenses incurred outside the grant period i.e. prior to the effective (start) date or after the grant completion date.** The grant begins upon the date of the last signature (OWEB’s) on the grant agreement. The grant completion date is listed on both page 1 and 8 of the grant agreement.

The most common delays for payments include:

1. Secured Match or Final Project Funding/Match forms not submitted

2. Land Use form not submitted
3. Spreadsheet* not submitted and/or inadequate receipts
4. Request for Release of Funds form is not signed
5. Permits, licenses, or other documents as required by the grant, are not submitted to OWEB prior to or with the first payment request
6. OWRI online reporting form and map have not been submitted or have not been finalized at time of final payment request

*Grantees may use their own spreadsheet formats to track expenses, however expenses must be tracked individually and grouped by budget categories per the application budget.

Attached are examples of OWEB forms required at the time of payment requests:

1. Small Grant Request for Release of Funds, page 4
2. Spreadsheet example, page 5
3. Secured Match form (due on or before first payment), page 6
4. Final Total Project Funding/Match Form (final payment), page 7
5. Budget Amendment Request, page 8
6. Travel Expenses, page 9
7. Examples of invoices for Grant Administration and Salaries Wages and Benefits, page 10-11
8. Example of Landowner Labor Tracking sheet, page 12
9. Tax ID Form—required ONLY for new payees or if the mailing address or Tax ID # has changed, for instructions call Leilani Sullivan, 503-986-0183

First Payment Request

The first payment may consist of either:

- Advance: An advance of up to 60% of the Small Grant award upon presentation of a detailed estimate of expenses in the form of a signed payment request. Receipts and invoices are *not* required at this stage. **However, a spreadsheet and receipts for the full advance amount are due within 120 days of the date of the payment.**

OR

- Reimbursement: A reimbursement of expenses to-date of up to 90% of the grant award upon presentation of receipts and invoices (\$250 and over).

The following are required before payment can be made for either an advance or reimbursement:

- Completed Land Use Form
- Copies of permits, licenses, or other documents, as required
- Secured Match form, with signatures from authorized representatives
- Completed Request for Release of Funds Form—use line item categories from the budget page of the grant agreement in column (B) and fill in request amounts in column (C). The Excel spreadsheet will automatically fill in the two right-hand columns. **When finished be sure to scroll up so that the column headers show before saving and/or printing the page.** Funds for the Year-2 Status Report may not be requested in an advance. If grant administration is being sought, the charge to OWEB may not exceed 15% of the total amount being requested in the first payment.

Make copies, as appropriate, for your project file. Send the entire package to the OWEB Small Grant Project Manager listed on page 1 of the grant agreement.

Final Payment Request

The Final Payment Request should reflect the actual project costs. Grantees may skip the first payment request and make just one final payment request. However, they will still need to furnish all the documentation required for the First Payment Request, described above. In addition the final payment request must include:

- Copies of all invoices (\$250 and over) and receipts associated with the project. **Invoices must be dated within the grant period.**
- Project Completion Report, complete with color photos. *
- Final Total Project Funding/Match Form *
- Oregon Watershed Restoration Reporting (OWRI) form and map must be submitted online per instructions <http://www.oregon.gov/OWEB/MONITOR/pages/owri.aspx>

***Please note:** Completion Reports and Final Total Project Funding/Match forms may now be submitted online using your organization's unique logon i.d. and password. If you do not have them, please call Leilani Sullivan, 503-986-0183.

Instructions— http://www.oregon.gov/OWEB/GRANTS/Documents/OnlineReporting_GranteeGuidance.pdf

Online Report—<http://apps.wrd.state.or.us/apps/oweb/fiscal/default.aspx>

- Spreadsheet—Tally the invoices and receipts, and develop a spreadsheet based on project expenses. Verify that the final amount being requested does not exceed the amount awarded (shown in the grant agreement).
- Invoices and receipts must be legible. Dates, amounts and descriptions must all be clearly readable. Purchase orders, statements, or credit card statements are not allowed without actual invoices attached.
- Salaries, Wages and Benefits must be billed on grantee letterhead (see example), and must show: (1) dates on which expenses were incurred, (2) position and name of person being paid, (3) amounts and; (4) signature of authorized Grantee or fiscal agent. A *Quickbooks All Transactions* detail sheet may be substituted for the letterhead document if you sign and date it and if dates, names of employees and amounts are listed.
- **Again, OWEB will accept Grant Administration and Year-Two Status Reporting expenses when listed on the signed form Request for Release of Funds, Revised 4/2014 and on the spreadsheet.**
- Travel must be shown and broken down by **individual dates, from/to destinations, and the total number of miles per trip must be shown for reimbursement. The Small Grant Program will not reimburse for meals, lodging, or for out-of-state travel expenses (see example).** For the latest travel rates, go to http://www.oregon.gov/OWEB/Pages/forms_linked.aspx#Regular_Grant_Forms_Documents
- Request for Release of Funds
 - Repeat columns (B) and (C) from the first payment request.
 - If funds are being requested for the Year-Two Status Report, consult the Grant Agreement budget for the allowed amount and fill in the amount in column (D).
 - The totals for columns (C) and (D) cannot exceed the OWEB award amount shown on page 1 of the grant agreement, and the total Grant Administration expense cannot exceed 15% of the *actual amount spent*.
 - Sign the payment request form. Make copies, as appropriate for your project file.

- Send the entire package to the OWEB Small Grant Project Manager for the Board listed on page 1 of the grant agreement.

Budget Amendments

Actual expenses do not need to mirror line item amounts in the grant agreement. However, if you wish to add line items that did not appear in the grant agreement budget , then you must submit a Budget Amendment Request and justification to the Project Manager for the Board prior to your payment request.

If you have questions call the Small Grant Project Manager (503) 986-0187.

If you know a problem exists, or if a change to the terms of the grant needs to be executed, please contact us immediately!

MATCHING FUNDS

OWEB requires evidence of at least 25% (of the requested OWEB funds) match funding for small grant projects. The Small Grant Team may require a greater amount of match. Evidence entails listing the match funding source and including a signature of commitment from the entity providing the match. Matching funds may come from other grants, cash donations, donated labor or services, and donated supplies or materials.

An applicant may not use *another OWEB grant* to match an OWEB grant. **OWEB funds and OWEB funds for council support may not be used to satisfy the match requirement.** However, an applicant who benefits from a pass-through OWEB agreement with another state agency, by receiving either staff expertise or a grant from that state agency, may use those benefits as match for an OWEB grant. (Example: A grantee may use as match the effort provided by ODFW restoration biologists because OWEB funding for those positions is the result of a pass-through agreement.)

If you have questions about whether your proposed match is eligible or not, visit our Web site at http://www.oregon.gov/OWEB/forms/Allowable_Match_7-2011rev.pdf, or contact your OWEB Small Grant Project Manager by accessing our directory at http://www.oregon.gov/OWEB/pages/contact_us_directory.aspx

- Columns C and D:** In Column C, show only proposed changes to Project Management or budget additions for NEW line items. Enter decreases as a negative number, e.g., -150.00. If, at a later date, you need to request an additional budget change, use Column D. Do NOT make changes to the numbers you entered previously in Column C.

When entering numbers in Columns C and D, do NOT enter any numbers in the Grant Total row as they should always automatically calculate vertically to \$0.00.

- Column E:** Do NOT enter any numbers in this column; totals are automatically calculated horizontally across the columns for this row.

After you have completed the form, check to see that the Grant Totals in Columns B and E both equal the original award amount.

SMALL GRANT PROGRAM

TRAVEL EXPENSES

Travel expenses will be reimbursed only in accordance with rates approved by the Department of Administrative Services and which are in effect at the time the expense was incurred. The current approved rates for reimbursement of travel expenses may be found at:

http://www.oregon.gov/OWEB/Pages/forms_linked.aspx#Regular_Grant_Forms_Documents

The rates are subject to change and govern reimbursement of any travel expenses incurred after the date of the change. Rates are updated periodically. The reason or purpose for all travel expense reimbursement requests must be identified.

The Small Grant Program will reimburse mileage for travel in a private automobile, while the Grantee/Contractor/Volunteer is acting within the course and scope of his/her duties under the Small Grant and driving over the most direct and usually traveled route.

To qualify for mileage reimbursement, the Grantee/Contractor/Volunteer must hold a valid, current driver's license for the class of vehicle to be driven and carry personal automobile liability insurance in the amounts not less than those required (i) the Oregon Financial Responsibility Law (ORS 806.060) or (ii) the jurisdiction in which the vehicle is being operated, whichever is greater. No mileage reimbursement will be paid for the use of motorcycles or mopeds.

Individual dates, from/to destinations, and the total number of miles per trip must be shown for reimbursement.

The Small Grant Program will not reimburse for meals, lodging, or for out-of-state travel expenses.
