This guide is a bibliography of Oregon Water Resources Department publications, including basin, groundwater and miscellaneous reports and drainage basin, land use and other maps for the state of Oregon.

Publications and maps can be purchased in person at our Salem office or by mail order. Pre-payment is required. State agencies may use Purchase Order or Transfer numbers for phone or fax orders. For orders that we mail to you, there is a handling charge of \$1.50 per single report or folded map order. The handling charge for maps shipped in tubes begins at \$3.00. Forms for mail or fax orders are included at the back of this guide. Reports identified as "out of print" can be reviewed at our office in Salem. Photocopies of these are also available upon request (\$2 for first page and 50 cents for each additional page – allow extra time for production).

Publications listed here are also available through the state inter-library loan program of the Oregon State Library, State Library Building, Salem, OR 97310. Your local library can help you arrange a loan.
