## General System: Terms and Explanations

**Report run on:** Date report is generated.

**Services Completed:** Date services were completed. The report data is based on the population selected by outcome or services-completed date. Services may have started prior to this date.

**Participating Agencies:** State-level entities that are partners in the state's one-stop system and contributors of funding and data to PRISM.

**Confidentiality:** Only individuals who have been provided with informed consent are included in the PRISM reports.

### **Footnotes:**

\* Suppressed Data - cells with two or fewer records, in the Wage Gain Eligible column, are not published due to confidentiality restrictions. These data are added to the "Unknown/Suppressed Data" category.

\*\* Report reflects all data submitted for time period shown.

## Wage Gain Indicator: Terms and Explanations

Summary statistics compiled from the unemployment insurance (UI) wage files and PRISM database on continuous employment approximately one year after completing services. **Participants are not required to have a goal of employment to be included in this report.**

**Wage Gain Eligible:** Participants employed in the quarter of exit or the first quarter after exit and in the fifth quarter after exit.

**Average Hrly Wage at Employment:** Total wages earned in employment quarter divided by total hours worked in employment quarter.

**Average Hrly 5th Qtr Wage:** Total wages earned in the fifth quarter divided by number of hours worked in the fifth quarter.

**Average Wage Gain:** Average wages earned in the fifth quarter after exit minus average wages earned in the quarter after exit.

**WRIS/WRIS2:** Reports produced with a service completed date on or after July 1, 2005 and meet the maximum hourly wage threshold, include out-of-state wage data for Title 1B and Employment Department. Reports produced with a service completed date on or after October 1, 2009 include limited out-of-state wage data for Community Colleges, Title II Adult Basic Education, Children, Adults and Families, and Vocational Rehabilitation. Out-of-state wage data are supplied by the states through the Wage Record Interchange System (WRIS and WRIS2). This clearinghouse for wage data allows states to track employment history of individuals who have participated in state workforce investment programs and subsequently left the state.
