RULE SUMMARY

Apprenticeship Division Administrator Stephen Simms filed with the Secretary of State a Notice of Proposed Rulemaking Hearing on August 27th, 2015 regarding proposed amendments to OAR 839-011-0000 - 839-011-0565 in order to conform Oregon's apprenticeship regulations to recently amended federal requirements.

The Oregon State Apprenticeship and Training Council ("Council") convened an Administrative Rules and Policy Task Force ("Task Force") to review proposed changes and to recommend amendments to its administrative rules to the Council for adoption. The Council has scheduled public hearings on the proposed rule amendments for October 23rd 2015 from 9:30 am - 11:30 at the Portland State Office Building, Room 1E, 800 NE Oregon Street, Portland. The public is invited to attend these hearings and to submit written and oral comments to the proposed rule amendments.

The proposed amendments bring Oregon into conformance with federal requirements. Corrections in grammar and usage were also

incorporated into these amendments. The proposed amendment harmonizes definitions in these rules with federal definitions and requirements.

The Division will send the Notice of Proposed Rulemaking Hearing on the proposed rule amendments to all persons and organizations listed on the Bureau's rules notice list and post the language of the proposed rules on the Bureau's web site at www.oregon.gov/boli. (Click on the "New/Proposed Rules" link.) In addition to being received at the Proposed Rulemaking Hearings, public comment pertaining to the proposed rule amendments may also be submitted in writing to the Bureau of Labor and Industries Rules Coordinator at the address indicated on the Notice of Proposed Rulemaking Hearing until close of business at 5 pm on October 23rd, 2015. Final rules will be adopted thereafter. The meeting location is accessible to disabled persons. A request for an interpreter for the hearing impaired, or for other accommodations for persons with disabilities must be made as soon as possible to the Contested Case Coordinator at (number) or Oregon Relay TTY: 711, and in any event at least 14 days before the hearing.

The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
