RULE SUMMARY

Pursuant to ORS 660.010 – 660.210, the Oregon Bureau of Labor and Industries (BOLI) administers registered apprenticeship programs through its Apprenticeship and Training Division (ATD). States that administer registered apprenticeship programs do so under an agreement with the United States Department of Labor, Employment and Training Administration (USDOL, ETA). Recent changes in federal apprenticeship regulations have necessitated changes to ORS 660.010 – 660.210. The proposed amendments bring Oregon into conformance with federal requirements. Corrections in grammar and usage were also incorporated into these amendments. The proposed amendment harmonizes definitions in these rules with federal definitions and requirements.

A public rulemaking hearing may be requested in writing by 10 or more people, or by an association with 10 or more members, within 21 days following the publication of the Notice of Proposed Rulemaking in the Oregon Bulletin or 28 days from the date Notice was sent to people on the agency mailing list, whichever is later. If sufficient hearing requests are received, the notice of the date and time of the rulemaking hearing must be published in the Oregon Bulletin at least 14 days before the hearing. The Agency requests public comment on whether other options should be considered for achieving the rule's substantive goals while reducing negative economic impact of the rule on business.
